Contribute to Strategic Planning at YRDSB - Upcoming Town Halls

York Region District School Board is revisioning its Multi-Year Plan (MYP) and Board Improvement Plan for Student Achievement and Well-being. The Board of Trustees is responsible for setting the strategic direction of public education in York Region public schools. The MYP incorporates the direction established by the Trustees with feedback received from all stakeholders, and will inform decision making at the Board in the years to come. Town halls will be taking place across the region and feedback collected from families and community members will inform the creation of a new MYP. Your voice is important and your input and feedback will help York Region District School Board support student achievement and well-being. There will also be other opportunities, including a survey available in April, to share your thoughts if you are unable to attend a town hall.

Important Information for Students Turning 18

Under the Education Act, parents/guardians have a right to access their child's Ontario Student Record if the child is under 18.

If the student is 18 or over, the Board/school must follow the privacy provisions of the Municipal Freedom of Information and Protection of Privacy Act regarding the disclosure of personal information about the student to their parents/guardians.

Students 18 or over must provide written permission by signing the [Consent for Information Sharing](#) form to allow parents/guardians to continue to access school-related information about the student. This includes academic progress, attendance and behaviour.

Students can also obtain the form from the school office.

Important Reminders

Respect for Community

- Students are expected to behave in a respectful manner during the entire school day
- This includes during lunch time when students are on and/or off school property (e.g. stores and restaurants by the school)
- Student **must** clean up their garbage, pay for all items, treat other customers with respect and follow the direction of the employees

Dress Code

Dressing in an appropriate manner dignifies the student, their family, and their school. Dress that is **not permitted** includes:

- headwear - except for religious reasons (e.g. baseball hats, hoodies, toques)
- bare midriffs – e.g. crop tops (*all tops must meet the bottom clothing*)

Punctuality

- School starts at 8:45 and students are expected to be in class at that time
- Students who are **less** than 15 minutes late for class must go directly to class
- Students who are **more** than 15 minutes late for class must go to Attendance Office to sign in

Student Parking

- Students who drive to school must have a valid parking pass that can be obtained in the Main Office
- Student parking is **ONLY** along the fence on the **EAST SIDE** of the stop sign and the parking pass must be visible
- Cars that are not parked in the designated spots are at risk of being ticketed and/or towed
- Students who continue to park in the incorrect spots will face school consequences

Student Drop-Off

- Parents/guardians who drive their children to school, **must not park or stop** at the front of the school -this is a fire route and where school busses drop off and pick up students
- Do not pull in to the specified parking spots at the front of the school
- Students must be dropped off and picked up at the south end of the school in a way that will not obstruct traffic around the school

Important Information for Parents/Guardians Regarding Extraordinary Absences Exceeding 3 days:

- Students are expected to be in full attendance every regular school day except in the case of illness. Extraordinary absence may occur under certain circumstances. Parents should keep in mind that a very close relationship exists between regular daily attendance and success in school. Some families plan trips during the school year due to scheduling of vacations from work or to take advantage of low travel costs. When this occurs, students miss valuable learning which can impact on their success. Even brief absences can have a negative impact. Family trips can be a wonderful learning experience, but should be saved for school vacation time, such as March Break.
- Before withdrawal for any vacation not in the school calendar, check with your child's teacher to find out what effect a long vacation may have on your child's progress.
- Complete the **Extraordinary Absence Form** found in the main office.
- You will be responsible for the continuity of your child's learning when they are absent from school.
- Students must consult with their teacher before the planned absence in order to determine their standing in each of their courses and obtain any assignments that will come due during or immediately following the absence, if available from the teacher.

It must be noted that:

- a. It may not be possible for a student to learn all of the material or complete all of the work that was done in class during their absence.
- b. Assignments must be submitted on time to be eligible for grading. Tests missed MAY receive a mark of zero ("0").

Community Involvement

It is important for students to get pre-approval of the community involvement from guidance. Once the volunteer experience is complete, students submit the form to guidance. It takes 2-3 weeks for the hours to be updated. Students who are completing more than 50 hours at one place must submit with the form itemizing what they did.

Lockers

Additional lockers are available. If your child is sharing a locker and would like their own, they can see Ms. Bagel in the Main Office.

Student Safety – ATTENTION NEEDED

Drivers must not:

- × use the front driveway for pick up and drop off.
- × use parking spaces at the front of the school to drop off, wait for, or pick up students
- × drive behind the school to drop students.

Drop off and pick up must only occur at the SOUTH end of the school – near Cassata Drive.
