## SEX TRAFFICKING

Instances of sex trafficking and sexual exploitation are a growing concern in York Region.

Youth as young as 12 are being recruited!

Would you know it if you saw it?  
What could you do?

May 19, 2022 | 10:00 a.m. – 11:30 a.m.

We welcome parents, guardians, caregivers, educators, staff and the community!  
[Register today!](#)

York Region District School Board in a collaborative partnership with Women's Support Network is hosting a virtual information session about sex trafficking and sexual exploitation.

This session will provide awareness and information about:

- What is sex trafficking
- How to identify signs of someone who may be in the process of being recruited or is already being trafficked
- Who is at risk
- Available resources and supports in the community

## Student Drop-Off/Pick-Up

Please be reminded that all students are to be dropped off and picked up at the side of the school (along Cassata Avenue - see map below). Please do not drop off/pick up your child at the main entrance to the school (along Bayview Avenue) as this is a bus lane. If you are coming from Bayview Avenue, please drive past the main entrance and drop your child off (or pick them up) at the side of the school (along Cassata Avenue). Also, as our parking spaces are limited, please do not park in a parking spot to drop off/pick up your child. Thank you for your cooperation!

To ensure the safety of our staff, students and families, you **MUST** follow the direction of signage and/or staff directing traffic. Given winter weather conditions and the large piles of snow on property, traffic safety is essential.

- Do not speed through the parking lot
- Do not overtake cars in front of you
- Do not stop at the front of the school

Thank you for contributing to the safety of our community

## COVID Screening

Continue to refer to the [COVID-19 school and child care screening tool](#) in order to determine whether your child can attend school in person.

### What do I do if my child needs to self-isolate?

If your child needs to self-isolate, please send an email to [shokofeh.amini@yrdsb.ca](mailto:shokofeh.amini@yrdsb.ca) and indicate:

- Student's full name
- Student number
- Return to school date
- If you wish to have your child be a temporarily remote learner during their isolation period.

Please have your child reach out to their teachers to request their Google Meet codes if they wish to learn remotely while they are absent. Your child is not permitted to return to in-person learning prior to their return to school date (as indicated in your email).

## Benefits of In-Person Learning

### Benefits of In-Person Learning

Given the numerous benefits of in-person learning, we are planning for our students to attend school in person, while following all appropriate measures to protect the health and safety of students, staff and families.

Students who attend school in-person benefit from:

- developing social/interpersonal skills
- improving in-person communication skills
- building teamwork skills
- wide range of experiential learning opportunities that support different learning styles
- sharing and playing in person
- participating in social activities, extracurricular clubs, teams and athletics
- leadership opportunities provided through co-curricular activities
- student leadership and mentorship

Schools will continue to follow York Region Public Health COVID-19 Guidelines to ensure safety measures for in-person learning.

Note: The Ministry of Education has directed school boards to provide a remote learning option for students for 2022-23. For next year, we will have an Elementary Virtual School and Secondary Virtual School. Learn more about virtual school at [yrdsb.ca](http://yrdsb.ca).

## Attendance

As a friendly reminder, a student's attendance is linked to their learning model e.g., if a student is scheduled as an in-person learner, but appears online, they will be marked absent. Learning model changes take at least a full school day to take effect. We are not recommending switching back and forth between learning models at this time i.e., if a student has switched once already this semester, please remain in this learning model moving forward.
