360Kids Nightstop Program

Nightstop is a voluntary service for young people experiencing crisis that prevents homelessness through community housing. Nightstop supports young people aged 16-26 years, who have nowhere safe to sleep that evening, by placing them in a [volunteer's spare room](#). Young people have a safe and private place for the evening, a warm meal, are offered a shower and leave the following morning.

Nightstop has been operating since 1987 and helps young people in 33 towns and cities around the United Kingdom. 360Kids is the first internationally accredited Nightstop agency and is excited to offer this program to young people in York Region.

Come out to one of the [Volunteer Information Sessions](#) to find out more.

Student Safety – ATTENTION NEEDED

Thank you to all drivers for your patience in the parking lot as we start a new year.

Our focus is (and must always be) on the safety of students.

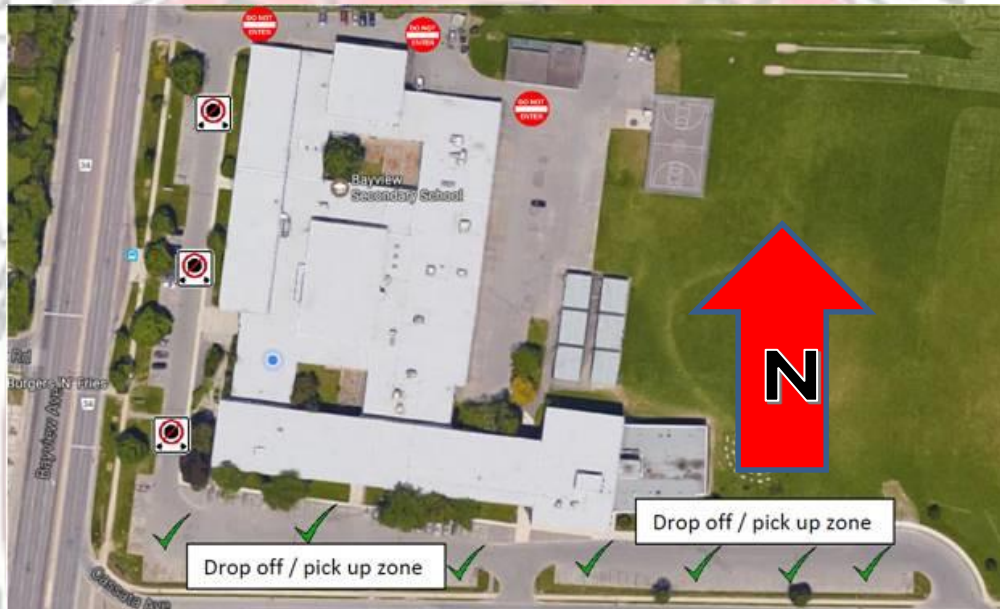

We are thrilled to see so many more students walking, riding bikes and taking public transit to and from school. Well done!!!

Please speak with your children to remind them of traffic safety and being aware of their surroundings. They must look both ways when crossing a road or driveway and must not walk along the traffic flow areas

Drivers must not:

- × use the front driveway for pick up and drop off.
- × use parking spaces at the front of the school to drop off, wait for, or pick up students
- × drive behind the school to drop students.

Drop off and pick up must only occur at the SOUTH end of the school – near Cassata Drive.

Community Involvement

It is important for students to get pre-approval of the community involvement from guidance. Once the volunteer experience is complete, students submit the form to guidance. It takes 2-3 weeks for the hours to be updated. Students who are completing more than 50 hours at one place must submit with the form itemizing what they did.
