Take Our Kids to Work Day – Wednesday, November 1st

Wednesday, November 1st is **Take Our Kids To Work** day. All schools in Ontario participate in this day and encourage all of their Grade 9 students to spend the day with a parent or another adult in a work setting. This program illustrates the importance of education, skills development and training while giving students the opportunity to experience possibilities that await them.

Permission forms have been **distributed** and were due to homeroom teachers on **October 13th**. If your child is having difficulty finding a place to go, please consider a family friend, a relative, or partnering them with a friend who already has somewhere to visit.

Student Safety – ATTENTION NEEDED

Thank you to all drivers for your patience in the parking lot as we start a new year.

Our focus is (and must always be) on the safety of students.

We are thrilled to see so many more students walking, riding bikes and taking public transit to and from school. Well done!!!

Please speak with your children to remind them of traffic safety and being aware of their surroundings. They must look both ways when crossing a road or driveway and must not walk along the traffic flow areas.

Drivers must not:

- × use the front driveway for pick up and drop off.
- × use parking spaces at the front of the school to drop off, wait for, or pick up students
- × drive behind the school to drop students.

Drop off and pick up must only occur at the SOUTH end of the school – near Cassata Drive.

Community Involvement

It is important for students to get pre-approval of the community involvement from guidance. Once the volunteer experience is complete, students submit the form to guidance. It takes 2-3 weeks for the hours to be updated. Students who are completing more than 50 hours at one place must submit with the form itemizing what they did.

Free Computer and Upgrading Classes for Adults

Would you like to upgrade your skills in English, Math or Computers? Are you seeking employment? Applying for college, second career or an apprenticeship?

We offer free classes to help you prepare for work or further your education in order to achieve your goals.
