Grade 9 Curriculum Night

We invite you to join us on **Tuesday, September 19th** for our Grade 9 Curriculum Night. The evening will commence at **6:30 p.m.** in the Large Gym and end by 8:30 p.m. The intent of this event is to provide you with information about our Grade 9 courses as well as programs that may be of interest to students in the years to come. Teachers will discuss the curriculum, assessment and evaluation procedures, course structure, pathways and other facets related to the Ontario secondary school curriculum. Please bring a copy of your child's timetable so that you are able to visit your son/daughter's subject areas.

Lockers

Where all students have been assigned lockers for the school year, not all students have put them into use. Some of our students have to share lockers and would prefer to have their own. If your child is planning on using their assigned locker, please ask them to close it by September 22nd at noon. After this time, any lockers that remain open will have the locks removed and will be reassigned to other students. Announcements will be made to students this week.

Student Safety – ATTENTION NEEDED

Thank you to all drivers for your patience in the parking lot as we start a new year.

Our focus is (and must always be) on the safety of students.

We are thrilled to see so many more students walking, riding bikes and taking public transit to and from school. Well done!!!

Please speak with your children to remind them of traffic safety and being aware of their surroundings. They must look both ways when crossing a road or driveway and must not walk along the traffic flow areas.

Drivers must not:

- × use the front driveway for pick up and drop off.
- × use parking spaces at the front of the school to drop off, wait for, or pick up students
- × drive behind the school to drop students.

Drop off and pick up must only occur at the SOUTH end of the school – near Cassata Drive.
