Tennis Team 2018

Bayview's Tennis Team joined other York Region schools from the Central Region on Wednesday October 10 for their first tournament. Junior and Senior players competed valiantly in single elimination matches against competitors from both Catholic and public high schools in the area. Some close matches resulted in disappointing losses for our players, while other Bayview players/teams were victorious. Well done, everyone, and congratulations to Alex Lee and Alex Zhu for advancing to Boys' Junior Doubles and Samson Wu, advancing as Bayview's Boys' Singles player. York Region finals will be played at Mayfair East on Thursday October 25. Special thanks to Stephanie Lum and Paula Arkhangorodsky for being our team captains.

Volunteer needed

We are looking for a parent or community volunteer who has experience in art curation or design to help support us in creating a new display of student art works. The works that tell a variety of Indigenous Creation Stories were completed in 2017-18 as part of the Artist in Residence Program. Currently, the student work is unframed on canvas. We need someone with expertise who can source options for framing or mounting these pieces and developing a plan for displaying the artwork in a way that helps us build reconciliation through education.

If you are interested, please contact Principal Brian Schouten at brian.schouten@yrdsb.ca

Feel free to pass this message along to others who you think may have the skill and interest.

Cannabis Legalization

As of October 17, 2018, it will be legal for individuals **19 and older** to buy, use, possess and grow recreational cannabis. It remains illegal for anyone under the age of 19. This is the same as the minimum age for the sale of tobacco and alcohol in Ontario.

Regardless of age, cannabis is not allowed on school property or at school-related events at any time.

It is illegal for **anyone** regardless of age to smoke or vape any substance, including cannabis:

- at school, on school grounds, and all public areas within 20m of these grounds
- on children's playgrounds and public areas within 20m of playgrounds
- in child care centres, or where an early years program is provided
- in places where home child care is provided – even if children aren't present*

**Please note that these are the provincial regulations and by-laws could be different at a municipal level*

There will be consequences for students if they are believed to be in possession or under the influence of alcohol, illegal drugs or cannabis. Suspension will be considered. There are exceptions if the medicinal use of cannabis is outlined in the student's Health Care Plan. If a student gives alcohol or cannabis to anyone under the age of 19, the school will contact police, suspend the student and consider expulsion.

In YRDSB, we want families and students to be informed about the facts of cannabis legalization. To support this learning, you may find the following resources helpful. You can also request a hard copy through the school office.

[Cannabis: What Parents/Guardians and Caregivers Need to Know](#)

[Cannabis Talk Kit: Know How to Talk With Your Teen](#)

We will continue to provide students with information and support to make positive and healthy decisions.

If you have any questions, please do not hesitate to contact the school's administration.

Important Information for Students Turning 18

Under the Education Act, parents/guardians have a right to access their child's Ontario Student Record if the child is under 18.

If the student is 18 or over, the Board/school must follow the privacy provisions of the Municipal Freedom of Information and Protection of Privacy Act regarding the disclosure of personal information about the student to their parents/guardians.

Students 18 or over must provide written permission by signing the [Consent for Information Sharing](#) form to allow parents/guardians to continue to access school-related information about the student. This includes academic progress, attendance and behaviour.

Students can also obtain the form from the school office.

Important Reminders

Respect for Community

- Students are expected to behave in a respectful manner during the entire school day
- This includes during lunch time when students are on and/or off school property (e.g. stores and restaurants by the school)
- Student **must** clean up their garbage, pay for all items, treat other customers with respect and follow the direction of the employee

Dress Code

Dressing in an appropriate manner dignifies the student, their family, and their school. Dress that is **not permitted** includes:

- headwear - except for religious reasons (e.g. baseball hats, hoodies, toques)
- bare midriffs – e.g. crop tops (*all tops must meet the bottom clothing*)

Punctuality

- School starts at 8:45 and students are expected to be in class at that time
- Students who are **less** than 15 minutes late for class must go directly to class
- Students who are **more** than 15 minutes late for class must go to Attendance Office to sign in

- Student parking is **ONLY** along the fence on the **EAST SIDE** of the stop sign and the parking pass must be visible
- Cars that are not parked in the designated spots are at risk of being ticketed and/or towed
- Students who continue to park in the incorrect spots will face school consequences

Student Drop-Off

- Parents/guardians who drive their children to school, **must not park or stop** at the front of the school -this is a fire route and where school busses drop off and pick up students
- Do not pull in to the specified parking spots at the front of the school
- Students must be dropped off and picked up at the south end of the school in a way that will not obstruct traffic around the school

Important Information for Parents/Guardians Regarding Extraordinary Absences Exceeding 3 days:

- Students are expected to be in full attendance every regular school day except in the case of illness. Extraordinary absence may occur under certain circumstances. Parents should keep in mind that a very close relationship exists between regular daily attendance and success in school. Some families plan trips during the school year due to scheduling of vacations from work or to take advantage of low travel costs. When this occurs, students miss valuable learning which can impact on their success. Even brief absences can have a negative impact. Family trips can be a wonderful learning experience, but should be saved for school vacation time, such as March Break.
- Before withdrawal for any vacation not in the school calendar, check with your child's teacher to find out what effect a long vacation may have on your child's progress.
- Complete the **Extraordinary Absence Form** found in the main office.
- You will be responsible for the continuity of your child's learning when they are absent from school.
- Students must consult with their teacher before the planned absence in order to determine their standing in each of their courses and obtain any assignments that will come due during or immediately following the absence, if available from the teacher.

It must be noted that:

- a. It may not be possible for a student to learn all of the material or complete all of the work that was done in class during their absence.
- b. Assignments must be submitted on time to be eligible for grading. Tests missed **MAY** receive a mark of zero ("0").

Student Safety – ATTENTION NEEDED

Drivers must not:

- × use the front driveway for pick up and drop off.
- × use parking spaces at the front of the school to drop off, wait for, or pick up students
- × drive behind the school to drop students.

Drop off and pick up must only occur at the SOUTH end of the school – near Cassata Drive
