How to register for Bayview's SHSM?

Students must fill out an application. The bit.ly link is on the sector flyers. Please review the flyers for further information of the requirements and certifications. Here is a [link](#) to Bayview's SHSM. Here is the [link](#) to the YRDSB SHSM page.

How is a Specialist High Skills Major recognized?

Students who successfully complete a SHSM will receive:

- an OSSD with an embossed SHSM seal
- a SHSM Record documenting their achievement
- formal recognition on their Ontario Student Transcript.

What is a Specialist High Skills Major (SHSM)?

SHSM let students focus on a career path that matches their skills and interests while meeting the requirements of the Ontario Secondary School Diploma (OSSD). Students complete a bundle of courses and gain valuable work experience through Co-op. SHSM programs lead to all post-secondary pathways – university, college, apprenticeship, and the workplace.

At Bayview SS, we offer three SHSM Sectors: **Business, Health & Wellness** and **Non-Profit**. Students can apply to be part of our SHSM program in their Grade 10 year for completion in Grade 11 and 12.

Courses for SHSM

Before selecting courses review the courses required for the particular sector of interest. All three sectors require 2 credits in co-op. If you cannot fit coop in day school, summer school coop is not guaranteed. Summer school coop also does not provide the same amount of certifications required for SHSM.

Specialized Programs at Bayview - Cont'd

The Dual Credit program allows **Grades 11 & 12** students intending on applying to college to take college courses that count towards both the OSSD and a college certification, diploma, or degree. Students may earn up to a maximum of four optional credits through college-delivered dual credit courses. Here is a [link](#) to the YRDSB Dual Credit info.

Note: This program is for students who are credit deficient. If you are on track to graduate, you do not qualify for this program. Please see your guidance counsellor to discuss eligibility.

Sample of Courses:

- Anatomy & physiology for the Practical Nurse; Nutrition
- Animation; Art & Design; Drawing
- Animal Behaviour
- Automotive
- Baking & Culinary
- Criminal Justice System & Criminology
- Forensic Crime Scene Investigation & Forensic Psychology; Law Enforcement
- Healthy Lifestyle Management
- Marketing
- Psychology; Social Psychology
- Podcasting
- Sustainable Fashion
- Video Game Technology
- Writing Workshop

Post-Secondary Pathways

College Pathway

- Colleges offer Apprenticeships, Certificates, Diplomas, Advanced Diplomas, Joint Degrees & Bachelor Degrees

 - **Business:** Administration, Commerce, Management, etc.
 - **Fine Arts:** Theatre, Music, Visual Arts
- **Research:** [Ontario Universities' Info](#)

Ways to do your research

Use **My Blueprint** to do your post-secondary research. Not sure what to study? Then complete the **Who Am I** surveys that match you to a variety of careers.

You can go directly to the **Post-Secondary** tab to research programs and schools in Ontario, across Canada & the U.S.

Visit the [Guidance Page](#) and go to the **Post-Secondary Education** tab to do research on Apprenticeships, College and University.

A screenshot of the 'Post-Secondary Education' tab on the Guidance Page. The left sidebar lists various topics: Secondary School Requirements, Guidance Messages, Transition to High School, Course Offerings, Post-Secondary Education (active), Paying for Post-Secondary, Guidance Resources, Community Involvement, Employment, Alternate Ways of Learning, Graduation, and Transcripts. The main content area has a white background. At the top, it says 'Post-Secondary Education' and 'OUAC PINS have been sent to student GAPPs Accounts.' Below this are two links: 'Gr12 Transition Handout Nov 2020.pdf' and 'Post-Secondary Pres Parents Nov 12 2020.pdf'. A paragraph explains that whether thinking of apprenticeships, college, university, or going directly to the workplace, you need to plan, and guidance counsellors are there to help. Below this is a table with three columns: 'Apprenticeship', 'College', and 'University'. The 'Apprenticeship' column describes paid, hands-on learning opportunities. The 'College' column describes Ontario's colleges as at the forefront of technology, innovation, and workforce development. The 'University' column describes Ontario universities offering a variety of degree programs. To the right of the table are two red buttons: 'College Presentation' and 'Applying to University Presentation to Gr 12s'. Below the table is a green box for 'ontariocolleges.ca' with the tagline 'APPLY TODAY. CHANGE TOMORROW.' and a logo for 'ONTARIO UNIVERSITIES INFO'. At the bottom right is a link to 'QUAC info.pdf'. At the bottom left is a logo for 'apprenticeshipinfo.org' with the tagline 'Recruitment, Resources, Results' and 'Connecting Employers and Apprentices across Ontario'.

This course enables students to develop their understanding of concepts related to biology, chemistry, physics, and earth and space science, and to relate science to technology, society, and the environment. Throughout the course, students will develop and refine their STEM skills as they use scientific research, scientific experimentation, and engineering design processes to investigate concepts and apply their knowledge in situations that are relevant to their lives and communities. Students will continue to develop transferable skills as they become scientifically literate global citizens.

Grade 10-12 OLOPTO 0 Credits Open

Students are required to earn two online learning credits to graduate from secondary school. The requirement is intended to support students in developing familiarity and comfort with working and learning in an online environment, as well as developing digital literacy and other transferable skills that will help prepare them for success after graduation.

Parents/guardians may choose to opt their child out of this requirement. Students 18 years of age or older can also opt out of the graduation requirement.

To opt out of this requirement, add this course to your selections.

To learn more about the online learning requirement, click this link:

<https://www2.yrdsb.ca/scho...>

Guidance Message

By submitting this Online Learning Opt-Out with your course selections, or approving this submission as a parent/guardian, you confirm that:

- Having reviewed the benefits of the online learning graduation requirement and the availability of supports for online learning through the school, I would like to opt my child/myself out of this requirement.

- Upon receipt of this request, the student will not be required to earn two online learning credits to earn an Ontario Secondary School Diploma.

- Students will face no academic penalties for opting out of this graduation requirement, and will continue to complete all other graduation requirements.

To learn more about the online learning requirement, click this link:

Guidance Message

"Students may add a maximum of two Online Learning courses to their course selections. Beginning with the cohort of students who entered Grade 9 in the 2020-21 school year, all students must earn a minimum of two online learning credits as part of the graduation requirements for an Ontario Secondary School Diploma unless they have been opted-out or exempted. Up to one secondary school credit completed by Grade 9 students in the 2020-21 school year during the province-wide school closures (from April 2021 to June 2021) may be counted towards this graduation requirement.

Parent/Guardian Approval

Once students submit their courses they are prompted with a **Send Approval Email** option. Once clicked, a parent or guardian's email address can be added.

After entering an email address and clicking **Send Approval Email**, the parent/guardian receives a course selection approval request email, including:

- The student's course requests
- Alternate course requests
- Issues with course submission, if any (e.g. missing prerequisite, etc.)

Reaching Ahead and Impact

- Students in grades 9-11 **CANNOT drop** a course unless they have 23 completed credits
- Avoid reaching ahead if you cannot handle the course material.
- **Full Disclosure:** Grade 11 and 12 courses taken in Grades 9 and 10 will show up on a transcript to college and university.
- Students who **reach ahead** must understand the course will be given to students in the appropriate grade first if it is oversubscribed. Students are only allowed to choose **2 reach aheads**.

Important Final Items

- Do your **RESEARCH**. Do not choose what your friends are choosing. It is really hard to change a course during the school year as it is based on availability.
- **Courses are not guaranteed. Alternate courses may be used.**
- **Grade 12** students need to have **3 courses each semester**. Students cannot be part time at Bayview regardless of your credit accumulation.
- Guidance will contact students who have an incomplete timetable.
- Students with Grade 7 and/or 8 practical and theory at the **Royal Conservatory of Music (RCM)** - these credits count as an elective credit only.
- Students can begin **submitting courses February 15 @9am to February 23 @3pm**
- **Grade 12 students** not returning **MUST** submit by **January 25 @ 3pm**
