KINDERGARTEN BEFORE & AFTER SCHOOL PROGRAM

We believe that quality care is a triangle of Programming in which Education and Recreation is woven with care. Our program allows children to build and increase essential skills that they need to become young adults.

The program has space for 26 children in JK and SK. There is a Registered Early Childhood Educator along with an Assistant Teacher providing a quality program for the children.

A morning and afternoon snack are provided for the children.

On PA Days a lunch and a special event/trip are included with an extra cost for care.

CURRENT FEES

Please go to our website

www.kidsconnectionce.com for the

updated fees for our program.

We are enrolled in the CWELCC

(Canada-Wide Early Learning and

Child Care) program.

Choice is what Kids Connection is all about. After a long day at school, we provide a relaxed atmosphere for the children,

Our program includes:

The Art Studio, The Lab, Architecture & Design, The Stage, Co-Operative Activities, and Outdoor Activities.

The Kindergarten Before and Afterschool Program is held in the Kindergarten Rooms.
