## Admin Message

It's been a bustling and exciting time here at Beynon! The air is alive with energy as we prepare for our year-end festival, refine our moves in Karate classes, practise hitting all the right notes in preparation for Music Night, and pour our hearts into writing for the Journalism Club. We've been honouring our environment through impactful initiatives, raising funds for the Heart & Stroke Foundation, celebrating our amazing secretaries on Administrative Professionals Day, and cheering on our Junior Boys Basketball Team for their incredible win at the areas tournament. Let's carry this vibrant spirit forward as we welcome the beauty of the new season!

Happy Spring!

## Grade 4 Miss Molella All Around the World

This exciting event recently took place in our Grade 4 classroom, where learning was transformed into a vibrant celebration of diversity. The 'All Around the World' activity brought together media learning with creative expression, as students presented their commercials and poster advertisements to convince others to visit their chosen countries. It was a wonderful opportunity to explore global cultures, affirm identities, and promote inclusivity. These wonderful photos of this special day give you a glimpse into their imaginative work and enthusiasm!
