

Beynon Community Newsletter Feb. 7th

Message from Admin

Dear Beynon Families,

This week we had the opportunity to enjoy **Winter Walk Week**, thanks to our fabulous EA - Mme Orr. Students were encouraged to walk to school, classes went out on a story journey, travel on snowshoes and land skis. This event was enjoyed by all!

February 27, 2025 is the date of the **Provincial Election**. Our school has been designated as a polling site. Please be informed voters will be in the building on Election Day on February 27th. Voters will not be allowed to venture passed the gymnasium and the foyer and can only access the building through the main doors.

Planning to Move?

As we begin our planning for the 2025-2026 school year, please inform the school office if your family has plans to move over the summer, or if your child(ren) will not be returning in September. This information helps us to ensure a smooth transition for all students while making the necessary staffing arrangements for the upcoming academic year.

Coding in the Lunar New Year

Mme Volpe's grade 2s celebrated the Lunar New Year by reading a story and then creating dragon and snake puppets.

We then used the puppets to work on the coding requirements for grade 2. The students did some unplugged coding to concurrently code the head and tail of the dragon or snake to perform.

We are excited to get our dragons and snakes dancing!

Junior Volleyball Bronze!

Congratulations to our Boys' and Girls' Junior Volleyball teams who took 3rd place at their respective Area tournaments last week!

The teams dug deep and fought point for point against formidable opponents. In the end, they were able to secure an impressive third place finish, showing incredible teamwork, dedication, and sportsmanship throughout. You have made the whole community proud!

Manie Musicale

It's that time of year again!!! Manie Musicale is coming to Beynon for the 3rd year!

Manie Musicale is an annual bracket-style competition for students and teachers of French. Similar to March Madness basketball in the United States, participants try to predict which of 16 francophone songs will be the most popular. Once the tournament starts, voters decide which song will advance to the next round until we have a champion. The best part? Students learn French while having fun with students from all over the world!

Which class will win the ultimate pizza party prize???
