## Updates

### Curriculum Night & School Council

We wanted to thank all our families for attending **Curriculum Night** and sticking around for our **School Council Meeting** and **Elections**. Congratulations to all the new members. Wishing you a successful year!

### New Processes in Office

In order to reduce traffic flow in the office, and increase safety for all students, parents are asked to drop off items such as lunches, school bags, footwear, etc...in our entry way, on the table against the wall. Please fill out a tag and attach it to the item. Students will be called down before recess or lunch to pick up to avoid interruptions during instructional time.
