

December 1, 2017

Hello Parents/ Guardians,

Hard to believe the date today! Is it really December already? As we count down to the winter holidays, students are ramping up their effort to show their empathy and goodwill. After all, "C'est génial d'être gentil"!

The grade 6's organized a Movember fundraiser where Mr. Cornish and M. Abed grew their mustaches in support of Men's Cancers. <https://moteam.co/beynon> The site is still open for donations or you are welcome to drop off loose change in the student decorated jar in the office. If we reach the goal of \$1000, Mr. Cornish has agreed to dye his mustache and hair!

*new, unused, warm item of clothing.* Fortunately we collected these items prior to our staff versus student volleyball game.... Although the teams worked very well as a team, the teachers won the first game and the students won the second. Careful boys, we're better prepared for you.... !

Our Grade 1-3 students enjoyed their first arts performance of "La Belle at la Bête". We hope your children enjoyed the performance and were able to make comparisons to the familiar book/movie. Other students will enjoy other grade appropriate performances in the near future.

Please follow the field trip procedure and pay on-line. This allows us to receive permission and payment at the same time. When your child shows up on the morning of the field trip with money in hand, we ALSO require permission for him/her attend. We can never allow a child to attend a field trip without permission. It's stressful for all involved when the buses with 100 students and teachers are waiting on 1-2 children to get permission.

As mentioned last month, we will be switching to the Lunch Lady as our hot lunch service provider on Mondays, Tuesdays and Fridays. (Wednesdays we are beginning to serve subs- details to come, and Thursdays continue to be pizza). Please note that in the case of inclement weather and school bus cancellation, the Lunch Lady DOES deliver to the school. Below my signature is the information regarding their policy on cancellations. Menus for Lunch Lady will be coming home next week. If you have already pre-ordered and paid for Kids Kitchen, they only bill credit cards once per week, so you have placed any orders beyond December 22 (their last day at Beynon), you won't be charged and any pre-orders will automatically be cancelled.

There is a proposed Secondary French Immersion boundary change to begin in September 2019 and would begin for incoming Grade 9 students. If you would like further information you are welcome to attend the public Secondary French Immersion information evening on December 13 @ King City S.S. at 7:00 PM. Information regarding this Information session was sent via email on Wednesday and is re-attached to his eblast.
