Dear Parents and guardians,

Love is in the air...

Let's start with a "Thank You" to our parent volunteers for everything that you do to assist in so many ways. Whether it's handing out lunches, attending field trips, working with students during lunchtime programs, and a variety of other ways behind the scenes to organize programs and events that benefit our kids, we hope you know how valued you are! The theme continues with an applause to our Teachers who worked very hard reporting to you on your child's progress; their love is evident every day by how well they have gotten to know your children.

Thank you to the parents who attended our Coffee Hour this afternoon; we hope you found it a valuable experience and we appreciate your feedback on how we can improve our school's culture for everyone. Learning about why some families may feel unrepresented in our community may be difficult to hear, but it is necessary to listen in order for us to improve. If you feel you have feedback for us as to how we can ensure that you and your child feel represented and valued as part of our Beynon Fields community, please share it with us directly. Our next step is to share our findings and your feedback with our staff in an effort to all be able to include your suggestions into our school's plans for continuous improvement.

This week our Grade 7's enjoyed a unique experience ice-fishing. Student excitement about their experience was contagious! Our Scholastic book fair has now drawn to an end. We thank you for your support and hope that you and your children found it valuable and purchased some good reads!

Congratulations to Miya Ma in grade 3, who won the Richmond Hill Winter Carnival Colouring contest!

Attached to this eblast please find:

- School Council flyer advertising our [Annual Family Health Night \(4\).pub](#), coming on March 2 (SchoolCash will be open for ticket purchase soon!)
