

February 23, 2018

Dear parents and guardians,

Happy Spring...?!?

At our last School Council meeting a parent asked about on-line resources for younger children to practice their French reading. Mme Brouillet has compiled a list of several resources that you might find useful. Please see the attachment: "Sites pour les parents Gr. 1".

Our Grade 1 registrations have been overwhelming and we have now grown to 6 classes for next year.

Congratulations to our Grade 7 team of students who won first place in the area Spoken Word competition: Lana H., Sania C. Kaveena R., Lauren R., Tara E. We are proud of you!

We sadly say au revoir to Mme Demers who started teaching at Beynon Fields since its opening. We wish her the best of luck in her move to another city.

We are continuing our discussions around Safe Routes to School. Our next meeting between school personnel and the City of Richmond Hill will take place in March as we endeavor to make traffic and signage changes and implement safer crossing for our students on Tower Hill Blvd.

Attached to this eblast please find the following information:

- Flyer for our  [Annual Family Health Night.pdf](#) presented by our School Council on Friday, March 2 @ 6:00. See you there!
- List of French resources  [Sitespourlesparentsgr1.pdf](#) and websites to practice basic French
