

January 18, 2018

Dear parents and guardians,

We hope you have enjoyed the weather this week as the kids have been enjoying playing outside in the fresh snow.

Cookie dough sales are doing very well and will no doubt prove to be a hit in your household when kids want to bake and sample their own creations. Thank you for supporting our Grade 8 graduation with this purchase. One by one the high schools are stopping by to visit our Grade 8's to assist them in their transition to high school next year. With graduation photos coming up next week, the students are no doubt getting excited!

Subway sales have also been a big hit and we hope you enjoy the variety! If you have feedback on these sales going forward, please let us know and we'll pass it along to our very accommodating Subway vendor.

Our hockey team played great in their tournament today. The intermediates won both games. 4-2 and 3-1. The juniors won the first one 6-5 and lost the second 5-1. We are very proud of how they represented Beynon Fields with only minimal practices. Well done!

Last night the junior co-ed volleyball team faced their toughest competition to date. They attended a tournament hosted by Armadale PS, the 9 time REGIONAL champions. All members of the Beynon team put forth a valiant effort and fought their way into the semi-finals ultimately losing to the hosts. Our Coyotes were recognized by the coaches at Armadale as the strongest team they've seen this season! Félicitations!

A reminder that tomorrow is a PA day and there is no school for students. Grade 1 registrations begin tomorrow so we are expecting to be busy registering our newest little coyotes.

Have a wonderful long weekend!

Heather
