

June 15th, 2018

Dear Parents and Guardians,

We hope you have enjoyed this week of the Arts at Beynon Fields! **Spring concert** was hugely impactful and was followed by a most elegant and heart-warming story during **Music Night**. Our gym was transformed into Roy Thompson Hall it seemed, by our very talented students! We were pleased to be joined by several VIPs including Mme Landy, Mme Loseto and 2 members of the Beynon family.

We are very excited to share with you that we have been awarded **ECO PLATINUM** by Ontario Eco Schools. This is the highest level of achievement that is only attainable after remaining at the Gold level for 4 consecutive years. It also requires diligence on the part of our students and staff in contributing positively to our environment in the classroom and outside. Thank you for continuing to support our ECO initiatives at home!

Thank you to all of our **parent volunteers** who have been so instrumental in our programming throughout the year. We truly value our partnerships in education and your support of all of our wonderful and enriching programs. **Volunteers for year-end Festival** are still needed! Please email samanthaheydt@gmail.com if you can give one hour of your time next Friday night, June 22nd. Looking forward to seeing you all at a great Beynon Fields event.

Just prior to our Festival, we look forward to meeting and greeting our **incoming Grade 1 students** at 4:00 for a brief tour and orientation. They are most welcome to join us for the Festival afterwards!

Please ensure that all **library books** and school resources that have been lent out during the year have been returned. We would like to ensure that we maintain our collection for years to enjoy.

Lost and Found items have been displayed neatly in the main foyer. Please encourage your children to reclaim their items prior to June 27 when they will be donated to a local charity.

Next week we are proud to watch our Grade 8 students graduate. We are looking forward to sharing in this milestone with our Grade 8 families. Please note that school cash has been re-opened until Sunday June 24 @ midnight so that all grade 8 students have an opportunity to purchase a year book.

Attached to this eblast please find:

- [Information](#) about driver opportunities with First Student Transportation.

Wishing you a wonderful weekend!
Happy Father's Day!

Heather
