

March 2, 2018

Dear Parents and Guardians,

Welcome to a warm March! We look forward to seeing you tonight at our Healthy Family Night hosted by our School Council. We are looking forward to learning some new easy and healthy snacks to prepare for our children while they practice Tae Kwon Do! In addition, Mme Cariglia-Bull will be hosting a session on self-regulation and what parents can do to promote this very important skill in their children. Tickets WILL be available for purchase at the door. Please see the attached flyer for more details.

Congratulations to Catherine Cho in Mme Crocco's grade 6 class who won a drawing contest hosted by Pier 1 Imports. Catherine's class was awarded \$500 towards supplemental Art supplies or an Art project. Félicitations Catherine!

Grade 2 parents: The skating trip that was cancelled on February 7 has been rescheduled to March 5. Payment has already been made, but permission must take place on School Cash again for this date. If you have not yet done so, please log in to School Cash before 12:00 midnight on Sunday.

Adrienne Clarkson Public School, one of our neighbouring French Immersion schools in YRDSB, located at 68 Queens College Drive in Richmond Hill, has invited "Librairie Mosaïque," a French-language bookstore located in downtown Toronto, to provide a French Language "Foire du livre" (Book Fair) for the entire French Immersion community of the YRDSB...!! The Foire will take place April 17th through to the 19th; a flyer is attached with all of the details about the event. This is an excellent opportunity for families to purchase additional French-language books, resources, and other materials to further your children's learning at home.

Monday is our House Assembly so all students should be coming to school wearing their House colours to show their school spirit. We will also be recognizing those students who showed exemplary Learning skills during the first term.
