<p>Changing Weather Conditions</p>	<p>As the weather changes, please ensure that your child arrives dressed appropriately for outdoor weather. It is suggested that students keep extra clothing (e.g., socks, pants, gloves) in their backpacks in the event that they get wet or dirty during outdoor recesses. Due to COVID regulations, we cannot accept deliveries of shoes, socks, or clothing by parents/guardians during the school day.</p> <p>We recommend that your child has access to a pair of shoes to wear indoors at school so that we can maintain a dry classroom space throughout the day.</p>
<p>Reducing Personal Items at School</p>	<p>Pokemon cards, toys, and personal items, (that are not required for learning at school), are to remain at home. We continue to restrict the sharing of items between students. Please remind your child to keep personal items at home as we work together to maintain safety while at school.</p>
