

September 18, 2017

Thank you for attending Curriculum Night; we hope you found the information meaningful and will continue to stay involved in our school community as the year progresses. The first School Council meeting for the year is on Sept 27 @ 7:00 PM, in the library. We hope to see you there!

When possible, we would appreciate if you could make arrangements as to how your child will go home, before the school day begins. Students have been receiving text messages from their parents at a variety of times of the day, which cause disruption to teaching and bus loading times. Younger children get confused when they are told something different during the day than had been pre-arranged. Please note also that for their own safety and security, students are not permitted to switch busses or go home with a friend on a bus; if they take the bus home, it should be on the bus that was assigned to them.

Attached please find the following information:

- Continuing Education classes for adults booklet (available at www.yrdsb.ca)
- School Council nomination form (2nd send) (No longer available)

Please follow us on Twitter! @Beynon_FPS

We give regular updates on the happenings at school and in your children's classroom's!
