

September 22, 2017

Hello parents and guardians,

Our year is off to a great start! Students and teachers are in learning mode and are eager to work hard and achieve their best. Our Special Education support team is getting ready to purposefully support students in their classrooms. The library is in full swing with all students equipped with a library code to take out books. Junior/Intermediate students are already learning on their Chromebooks and maximizing their interactive learning potential between teacher and students.

Our Healthy Schools team has already received a grant for fruit and vegetable snacks that began this week. Each classroom received a bin of apples or bananas that students take as they feel hungry. Students replenish the bins as needed. The objective of the program is to increase the amount of fruits and vegetables consumed in order to support a healthy lifestyle. Special thanks to Mme Krever and Mme Demers for their work in organizing this program!

Attached to this email please find:

- Information from Viva Richmond Hill regarding road construction in the area.

Reminders: This week is Safety week; we will have several drills to practice how to keep our students safe.

- Monday Sept. 25 in a PA day where all staff will review best practices for keeping everyone safe at school.
- Wednesday, Sept. 27 @ 7:00 is our first School Council meeting; all parents are welcome to attend, whether or not you are interested in being a member of Council.
- Friday, Sept. 29 is our Terry Fox Run to raise money for Cancer research. We are asking children to bring a minimum \$2- \$5 donation in support of this charity.
- Welcome to our newest Twitter followers who have joined us this week! @Beynon_FPS

Have a sensational, sunny weekend. See you on Tuesday!

Heather Zaitlin
