February 21, 2018**

DATE: February 21, 2018

PRESENT: Michelle, Kevin, Kim, Tannaz, Helena, Girija, Wilma, Julie, Roopa, Lisa, Katherine, Marc, Sam, Jin Jin

ABSENT: Kathy, Heather, Gail, Anne-Marie, Giulia, Terry, Sylvia, Sue

Agenda Item	Description	Action Required
Approval of January minutes	Approved unanimously	N/A
Empowerment Project - Shar Rai	<p>Science based mindfulness program, teaching children about the brain effects of positive behaviour. Control over feelings and actions can help change mindsets. Tools and techniques to harness happiness. "I am in charge of my happiness" Biochemical and physiological changes that occur with our thought processes how our internal environment affects our external environment. Hands on tools through visualization, affirmation statement, breath control and meditation. Four part program P1. Power of positive thoughts Understanding the science behind positive thought P2. Thanks, importance of being grateful P3. Visualization, the value of goal setting P4. Move, breath, focus Yoga, breathing to calm, meditate to focus Program is in line with Ontario curriculum Lisa brought up a point about drawing awareness to the fact that feeling all different</p>	<p>Shar to send slides to Heather, Lisa and Kim for review/approval prior to presentation</p>

	emotions is normal and sometimes people may require assistance if they're feeling overwhelmed by certain emotions or experience. In that case they can reach out to a parent, trusted adult, kids help line, or professionals to seek help from in case there are feelings of sadness, grief, etc.	
Principal's Report	No Report, was unable to attend.	Will present these items at April meeting
Treasurer's Report	Funds available \$12000 Subway sale \$2600 net Lice check happened in January All requested fund items have been ordered	
Fund Requests	<p>Fund Requests</p> <ul style="list-style-type: none"> • Math manipulatives \$800 approved • Gym equipment (Basketballs) \$400 approved <p>1) Math Manipulatives - \$800 These are used in all grades to support the concepts being taught, so that students have items to manipulate in order to better understand what they are learning (e.g. fraction cubes, protractors with a clearer idea of how to determine the angle, # cubes to determine 1's, 10's, 100's, 1000's). Most of these items we have already; they are so popular though that there never seem to be enough to go around, which is the reason for the request for more.</p> <p>2) Gym Equipment (Basketballs) - \$400 The basketballs are worn out. Requesting 40 more allows 2 classes to use them simultaneously for drills, etc.</p>	
Committee Updates	<p>Fundraising: Year end festival - Friday, June 22 @ 5:00-8:00pm Need help with planning, raffle baskets, we need as much help as possible so all hands on deck and please pass the word and get others involved.</p> <p>Education: Pro grant- Empowerment Project for grades 6-8 The presentation can be tailored to our school needs Clear Concept can be a good option for next year. PRO grant award was \$1000, council will subsidize \$1100 additional - approved unanimously</p>	<p>Kim to schedule Festival sub-committee meeting for after March Break</p> <p>Julie to schedule presentation with Shar - April 11 or 25?</p>

Coffee hour April 13 @ 9:00 public health nurse, Vanessa Fortier. Mental health.
