Please remind your son/daughter that they must **always** sign in or sign out in the main office when they are late or leaving early. If we have an emergency in the building we want to be able to determine accurate attendance.

Dear Families,

I am honoured and privileged to be joining York Region District School Board and to focus on what is best for students. I have held many positions in my career in a large district school board including teacher, Principal and Superintendent roles, and more recently as Director of Special Education at the Ministry of Education. I look forward to supporting our students and their families and our staff members with my knowledge, skills and passion for student well-being.

As we begin the New Year, I want to express my gratitude for the dedication of our staff and families to our schools and students. Schools play such an important role in the lives of our students – whether that is ensuring they have a safe pathway in the yard, supporting their personal needs, teaching them, keeping track of attendance, leading their school, or ensuring we are actively engaged in their learning.

Being new to the Board, my priority will be to listen and learn from as many students, staff, families, community members and trustees as possible. I will be focused on students and staff in schools so that I may see the wonderful things happening in our classrooms every day and to listen to their ideas. I also hope to be able to hear from the community directly. We have community consultations scheduled on *Classism* and *Anti-Black Racism* and I am looking forward to hearing our community's thoughts on how we can best support students and families.

Our work on supporting the Minister's directions will also be central to my leadership. The work of Interim Director Kathryn Wallace has enabled the board to plan and implement many elements of the directions. I thank her for her leadership and am dedicated to continuing her fine work. Our next steps will be implementing the Equity Plan and refreshing the Strategic Plan for the board as a whole. The Minister's directions improve our work in supporting students, their families and our school communities – it is important their intent is embedded in our everyday activities and used as a building block toward the strategic plan we build together.

The most important goal I have in my first months as Director is to build relationships and to earn trust. I am looking forward to working alongside you to keep an unwavering focus on our students and achieve outstanding results to inspire learning.

Warm regards,

Louise Sirisko, Director of Education  
York Region District School Board

- **Let's Talk**

Let's Talk is an initiative started and popularized by Bell Media Communications. Although the official Bell day is in January, it is not a one day occurrence and needs our attention and support year round.

In the BCSS library we have highlighted some novels and non-fiction books on one of our foremost presentation shelves to bring attention to the need for understanding, compassion, and support of mental illness. Here at BCSS we believe in healthy active living and promote both physical and mental health development. We strive to create a safe environment where students and staff feel safe and comfortable starting and continuing the conversation regarding their own and others mental health. To this end, the library has selected some outstanding young adult fiction to put on display and we are happy to guide the conversation about the characters and their challenges with students who want the discussion.

"Hard to see, mental illness is one of the most widespread health issues in the country, with consequences for everyone." (Toolkit, 8)
