Parent Support Needed

Parents,

Our Annual Homecoming is a time to celebrate our school, students and sports. This is a much anticipated event for families, students and friends, and a wonderful opportunity for families to experience firsthand our school spirit- our **Sea of Red**.

On October 5, our school will be bustling with activities; a schedule of games with a variety of teams playing their sport; music; baked goods sold at the Café; grilled food items, tasty French fries; and a raffle.

Everyone is invited- please add October 5, to your calendar and don't miss the celebration!

Homecoming is an important fundraiser for our school- one that requires donations/support from our parent community in order to be successful. **We need your help!** During HOMECOMING, raffle tickets will be sold.

In past years, our raffle has raised at least \$5000; this year we would like to raise even more! All funds raised during this year's HOMECOMING will go towards the purchase of the school's scoreboard. We are looking for donations: **sports/concert/event tickets, electronics, sports jerseys, gift certificates, golf outings, gift/restaurant certificates, services and handcrafted items.** **If you are a season ticket holder, we want to hear from you!** We cannot do this without contributions from parents/companies. Subsequently, please remember to purchase your raffle ticket(s), once they are made available, and support BCSS.

If you wish to make a donation, please complete and return the form below.

BCSS is proud of the parent involvement/interest in the school. If you would like to assist with this event, please contact the Homecoming Chair, **Noula Halikias-Mintsoulis** noula@zing-net.ca

- **Modern Learning Project:**

From October 23rd – 25th BCSS will launch the first **me into action** immersive learning experience for our grade 9 students. Please follow the link below for more information:

<http://www.yrdsb.ca/schools/billcrothers.ss/NewsEvents/Documents/Modern%20Learning%20Project.pdf>

This Modern Learning Project is forecasting **BIG ANSWERS** to some of the **BIG QUESTIONS**

we've been asking:

- What does learning look like in the 21st Century?
- Will our children be prepared for the shifting landscape of the future labour market?
- How is student achievement advanced?

Its aim is to engage our students more deeply in their learning and challenge them to develop relevant 21st century skills and mindsets as they design an inquiry question related to the **BIG IDEA**, explore methods to address it, and share their learning with the school community and beyond.

BIG IDEA for this semester is...

BIG HELP FROM BIG PEOPLE

A key pillar in developing this inquiry was ensuring it has real world context and a real audience. Students should have a sense that what they are doing is important and valued outside the walls of BCSS.

Our Environment *is* an important issue of our time, and to make it more relevant we are calling upon **community members**, **celebrities**, and above all, **parents** to take part in the process.

- Do you or someone you know have a real world connection to the **BIG IDEA**¹ that could inspire our students?
- Would you consider being part of our **COMMUNITY CAROUSEL** on the morning of **October 24th, 2017** by being involved in the generation of student ideas?
- Are you willing to be a **COMMUNITY JUDGE**? For teachers to appraise student work is one thing, for a grown up, from the real world, to do so is quite another!

* If you or a contact you know would like to be a part of this initiative, click [HERE](#) and one of our teachers will be in touch with you soon.*

For any questions, comments, connections or ideas for this learning experience, please contact Megan Patullo or Kathleen Major @ megan.patullo@yrdsb.ca or kathleen.major@yrdsb.ca

¹ This semester's Big Idea, Our Environment, is an umbrella term embracing themes such as global, local, social, and mental environments, among others.
