

Beyond the Hurt

What do Beyond the Hurt members do and what are they working towards?

Beyond the Hurt exists to encourage social justice and equity in our school. It is our hope that BCSS will stay **“Bully-Free”** with the help of our club. We host anti-bullying and cultural awareness workshops. Our club is proud to learn about social justice and equity at various special events, and to bring these ideas back to our school.

Where / how do I join?

We meet every Wednesdays at 12:05 in Room 3040, and everyone is welcome.
