

# BCSS Equestrian Team

This team offers students a wide variety of activities and opportunities to learn about and explore the sport of Equestrian. Whether you are new to the sport or already have experience, you are able to participate, regardless of your level of experience.

Coaches offer in-school social and learning experiences, off-campus workshops and a comprehensive horseback riding program for all levels of riders. The focus is on inclusion and sharing the passion for horses and the sport of Equestrian.

## **Cost**

There are costs associated with experiential workshops and the horseback riding program.

## **Day and Time**

In-school team meetings are: Mondays from the beginning of August- until the end of May

Off – Campus Horseback Riding program runs every other Thursday after school from September until the end of May. The off-site part of this program is held in Stouffville.

## **Season**

August – end of May

## **Teacher Advisor**

Ms. Nicole Angus
