

IF YOU'RE LOOKING FOR A COOL FUN WAY TO BUILD COMMUNITY HOURS & learn marketable skills you can put on your resume...

THEN GUESS WHAT? You've found it! The Youth Link Diversity Project (YLDP)

If you're between the age of 14 to 18, YLDP will help you become a leader to drive multicultural unity within our community.

Why?

Lots of people in York Region from diverse cultural backgrounds feel isolated and disconnected from society. Through YLDP, you can help make a difference by taking an active role in developing solutions and organizing community-based projects that connect people and promote integration.

How does it work?

You can participate FREE in our series of 16 diversity and leadership learning sessions led by professional facilitators who will provide you with the "skills and tools" you need to move ahead in your personal and professional development.

What's in it for "You"th?

Through interactive games and activities, you'll get to network with peers, build leadership talents, event management and effective communications skills and become an ambassador for cultural diversity in your community, while building your community hours.
