		<p style="text-align: center;">FUNDRAISING PRIORITIES</p> <ul style="list-style-type: none"> - Literacy: <ul style="list-style-type: none"> - Identify affirming levelled readers, dual language texts, high interest low vocab texts - Enhancing the learning commons - Long Term Project: Learning Commons - Numeracy: <ul style="list-style-type: none"> - Building supply of math manipulatives in each classroom - STEAM and robotics opportunities - Engagement: <ul style="list-style-type: none"> - Cost Sharing- Chromebook Focus - Enhanced A/V System - Foyer TV Display for announcements and school events - Learning commons conversion (long term goal) modernize, more tech, more collaborative space. - Field trip subsidy – is a wish list. School council can help. <p>Question #1 – how much do we want to raise for all of this (chromebooks, field trip subsidy, library remodel?) - \$25,000 goal. Funds will be allocated from school generated funds. Want to see where we align to divert funding to.</p> <p style="text-align: center;">Question #2 – Recess Equip – what is it?</p> <ul style="list-style-type: none"> - Mesh bags with various athletic equipment, and the staff drive the focus for what goes in to the bags. Maybe one bag per two classes. <ul style="list-style-type: none"> - Long term plan with K is long term exploration outside. <p>Question #3 – what happens when the items are taken away – question will be raised so we can prevent that happening again in future</p>

6.	<i>Treasurer's Report</i>	<ul style="list-style-type: none"> - Comprehensive math program was exemplified via slides to illustrate how the learning diversity would happen. <p>Question #1– are kids being prepared for the grade 9 curriculum demands? Yes, the grade 8 teachers have access to the grade 9 curriculums.</p> <p>Question #2 Does the school put out a summer math booklet? several parents in attendance provided suggestions to support summer learning. It was shared that interactive tools are important. The school does not provide a summer math booklet. Next steps for home are provided on the report card.</p> <p>Corey shared examples from Math Up and for all the grades.</p> <p>Question – is it ok to get a student rep here.</p> <p>.....</p> <p style="text-align: center;">TREASURER REPORT - AMY PRESENT</p> <ul style="list-style-type: none"> - Last year fell short of goal by \$3200 - Current revenue streams include: Fresh from farm, kernels, hot lunch so far. <ul style="list-style-type: none"> - FFF – Net \$520 - Kernels – Net to Date \$321 - Hot Lunch – Net to Date \$235 - Total Net to Date <u>\$1076</u> <p>No expenses to date; balance is \$1076</p>
7.	<i>Sub Committees Reports & upcoming Votes</i>	<p>Inquiry on behalf of amazon – we need to figure out what they can and cannot get approval for. Can it be DONATED to the school. Conflict of interest etc.</p> <p>* All information regarding fundraising orders volumes should go through 1 personnel on School Council, the Treasurer Amy. Amy will share net profit details to Anita.</p>

		<p>.....</p> <p>HOT LUNCH REPORT - ESSI AND ANDREA</p> <ul style="list-style-type: none"> - Essi will be taking over the hot lunches, Andrea will support as needed moving forward - New program is week by week commitment, flexible, and can change your order as needed. Changes must occur by noon on the Sunday before the next week to be effective. - Cancellations will give you a credit on the account. If you have a balance at the end of the year you must contact them to get a refund. Not the school - We need lunch help to assist with lunch mix ups and there is going to be a sign up sheet to help out as needed. - Some parents want another vendor added; Punjabi nearby is being investigated. But volunteers are needed to support it. Manager meeting is happening next week to explore it, with the PPE and checklist for what is required for healthy options from the board. Request to add extras on the side. Will NOT go through Lunchbox at this time nor were they part of Lunchbox program. We will need support requests to go out. It was mentioned that no extra day was agreed to be added, HOWEVER, we want the information to be ready if there is a demand, and we find the support to manage it. - - Donation letter went out to Chapters head office, for donations to give away books, they have a program and it is on a timeline, Essi is going to approach and learn more. Fortinos as well has been approached for donations. Essi has asked for more places to reach out for donations; reminder to speak to Corey first before approaching any businesses so that there is no overlap with the asks. Email is being sent to Corey to start a reach out list and ensure we don't ask again. <p>Community Engagement: B-WICKI – Elisha, Jag</p> <p>Speaker Paul Davis could present to students in school - Late November for in school and then a follow up in March or April</p>

		<p>Vote on: \$250 needed for Winter Fun Night Dec. 12th Gr. K-5 – vote is put on hold for later date if needed. A parent on Council who works at Amazon has access to quarterly financial donations that could be used for the Winter Fun Night.</p> <p>Vote on: Movie night Jan 30, 2025 Gr. 6-8 – Voted YES</p> <p style="text-align: center;">Fundraising – Amanda, Lisa</p> <p>Volunteers needed for the distribution of the bushels</p> <p>VOTING:</p> <ol style="list-style-type: none"> 1.) Proceed with Kernels fundraising: Oct 14-22- YES 2.) Big Box of Cards Nov 1-22nd YES <ul style="list-style-type: none"> - Sample cards to be sent home with kids: The challenges of fundraising in this school is regarding increasing participation. We are trying to broaden the scope and variety of the offerings. It is suggested to use more paper advertising for the fundraising. Eg Box of Cards are sending home physical sample cards. <p style="text-align: center;">Pro Grant and ISP Committee – Jag</p> <ul style="list-style-type: none"> - No movement as of yet <p style="text-align: center;">Ventilation Committee – Eli</p> <p>When covid hit, 450 million allocated to HVAC and window replacement in 2021. Our school has mechanical ventilation – as assessed. Because of this, the only places that SHOULD have the filters, are the kindergarten classrooms, and the portables.</p> <p>16 hepa filters. Higher grade filters should be installed but we don't have access to confirm; the school needs to check. Caretaking replaces the filters. They MUST be changed, if filters are not replaced then they may not be working to full capability. We would like to know the status of the filter changes. The filters also need to be started 2 hours before the start of the school day.</p>
--	--	---

		<p>So our HVAC system is newer, which means not every classroom will have the filters. Per Corey - Caretaking staff have a log sheet that is inspected and Corey will check in on the changes of the ventilation filters.</p> <p>AC – More York Region high schools are allocated with AC because they usually have summer programs. LeClub is not a loophole because it is their choice to operate here or not, as a 3rd party. It's a policy issue, not an effort issue.</p> <p>Question was asked how to fundraise for ac in the upper level, and the short answer is we cannot because we are not allowed to have them due to operating costs. Advocacy is paramount, and watching for policy changes to come about through the board. Getting others schools up to par has been the board focus.</p> <p style="text-align: center;">Fun Fair Committee – Weronika & Jag</p> <ul style="list-style-type: none"> - Caterer is decided. Minimum is 300 orders. Ice cream truck, pay as you go activities, or tickets purchased beforehand. <p>Question: can we apply for a lottery license, for a 50/50 draw? Yes we could apply. Not sure if we will proceed with application TBC.</p> <ul style="list-style-type: none"> - Volunteer hours from high school students - Carnival games and face painting, photo booth, police and fire dept. - Prize table – like at an arcade – something they can select that are small. <ul style="list-style-type: none"> o Smile Makers for massive orders. o Tiered prizes
