**Effective School Councils are those that:**

- ❖ Focus on student learning and the best interests of all students
- ❖ Are actively involved in setting school priorities for improving student achievement
- ❖ Promote meaningful parental and community involvement and actively seek the views of their school communities
- ❖ Have a clear understanding of their roles and responsibilities
- ❖ Include members who represent the diverse views of their school communities
- ❖ Have clear and consistent processes for decision making
- ❖ Keep well informed about school and board policies and procedures
- ❖ Communicate with the community about their activities
- ❖ Maintain high ethical standards
- ❖ Have members who have developed mutual trust and respect for one another

*The purpose of school council is to support improved student learning and to build an increased sense of shared accountability for public education.*
