Effective School Councils are those that:

- ❖ Focus on student learning and the best interests of all students
- ❖ Are actively involved in setting school priorities for improving student achievement
- ❖ Promote meaningful parental and community involvement and actively seek the views of their school communities
- ❖ Have a clear understanding of their roles and responsibilities
- ❖ Include members who represent the diverse views of their school communities
- ❖ Have clear and consistent processes for decision making
- ❖ Keep well informed about school and board policies and procedures
- ❖ Communicate with the community about their activities
- ❖ Maintain high ethical standards
- ❖ Have members who have developed mutual trust and respect for one another

The purpose of school councils is to support improved student learning and an increased sense of shared accountability for public education.
