Course Verification

Course selection is now finished online with My Blueprint. Students and parents who may wish to reconsider the selections are asked to wait until course verification later in the spring. We welcome appointments with students over the next few weeks to discuss opportunities and thoughts about their personal and academic future.

Summer School Considerations

Information about summer school sites and courses to be offered is generally provided in April with verification of confirmed sites by May. We will make an announcement to students and parents when that information is released.

Summer School Co-Op Applications

Information is available in the cooperative education department about the application to these programs. This is a regional program and is not overseen by Bur Oak personnel. Please review deadlines as some will take place in early March for some highly competitive district-wide programs.

Parents' Night is on Thursday, April 2, 2020, 6:30-8:30 p.m. Bur Oak Secondary School uses an online process to manage our Parents' Night scheduling.

Edsby is an intuitive, cloud-based platform that will allow families to easily reserve times to meet with their child's teachers. Families will need to create an account in Edsby in order to reserve appointments.

Families will need to create an Edsby account to access the online appointment scheduler for their child's teachers for Parents' Night. **Only families who have created an Edsby account prior to the schedule being opened March 24, 2020 will have access.** For help signing up for Parent-Teacher interviews, please visit <https://edsby.com/help/parents/parent-teacher-interviews/>.

Parents/guardians wishing to book an appointment with our Student Success Teacher, Guidance Counsellors and/or Special Education Resource Teachers (SERT), can have their child speak to them directly to book an appointment.

If you do not wish to share your email address and/or create an Edsby account, you can have your child sign up for an interview directly with their teachers or you may contact the Main Office.

If you have any questions about the process, please contact our Main Office.

The Ontario Secondary School Literacy Test (OSSLT)

The Ontario Secondary School Literacy Test (OSSLT) is **Tuesday, March 31, 2020**. All students who wish to graduate from an Ontario secondary school must fulfill their literacy requirement by being successful on the OSSLT or by taking the Ontario Literacy Course (OLC).

In preparation for the OSSLT, the **After School Literacy** course will be offered again in second semester. This is the final opportunity to take this preparation course before the OSSLT in March. The course is running from **February 11- March 12, every Tuesday and Thursday** from **3:00-4:30pm**. Please print, complete and sign the [registration form](#) **attached** and return it to Ms. Wan in the Learning Commons as soon as possible as registration closes on Wednesday, January 22. A paper copy of the registration form is also available for pick-up in the Learning Commons.

Please email angela.wan@yrdsb.ca with any questions or concerns regarding the OSSLT.

Safe Arrival/Attendance Reporting

Parents will continue to receive a Safe Arrival e-mail for Period 1 absences. Another e-mail will be sent at the end of the day.

Spare Periods

A reminder that students are encouraged to use a Spare Period to complete course work or study course material. Students choosing to be at school during their spare are to use the quiet study space provided in our school Library. Students with a Period 5 spare are not allowed to remain in the Main Hallway.

Please obey all traffic signs and signals around the Bur Oak Secondary School perimeter! We want all of our students to be safe and arrive alive.

Arrivals and Departures

Parents/guardians who **drive their children to school** are reminded to follow the directional signs and use the designated areas for drop off and pick up at the **BACK** of the school. Please do not park in the bus / emergency zones and remember that there are no U-turns allowed in the front driveway. Failure to do so may result in fines and/or tickets as the front is designated a FIRE ROUTE.

Please remind your child to cross the road only at designated crosswalks. Student safety is our main concern and we thank you in advance for helping keep your child safe. Please **DO NOT** drop your child off on Bur Oak Avenue as this creates a dangerous situation both for your child and other cars.

Parking Reminders

Students who drive to school are reminded that use of the school parking lot is a privilege not a right. Students are expected to drive in accordance with provincial laws. All students are reminded that extreme caution must be used when driving in the school parking lot. Any student who drives carelessly or puts any student, staff member or community member at risk will lose their privilege to use the school parking lot. Parents/Guardians will be contacted and York Regional Police may also be notified.

Students may park in **designated areas** only in the south parking lot at the back of the school. Parking is not allowed in the Emergency Vehicles/Bus Route. To be eligible to use the lot, **students must**

- have a valid student card
- register their car at the office and obtain a parking permit. NOTE: Registration does not guarantee a parking spot.

Students who fail to comply with the parking regulations may:

- be towed at a substantial cost to the owner
- face a “drop” fee (once car is hooked to be towed)
- be ticketed (by the Town of Markham).

Bus or School Cancellations

With winter weather already here, we want to share some important reminders for families.

When an **inclement weather** or **extreme cold** day is declared, school transportation (including buses and taxis) are cancelled in the morning and afternoon. Schools will remain open. If you drive your child to school, or your child takes alternate transportation, you must make arrangements for your child to get home at the end of the day. Please call the school if your child will not be attending school on those days. Students will not be penalized for missing school on these days.

There may be rare instances when **emergency winter events** occur and we need to close all schools and Board locations. Please take the time to make plans in the event of an emergency school closure.

Information about transportation cancellations and Board closures will be shared through local media, [Board](#) and school website and on [twitter @YRDSB](#).

Our process for extreme cold, inclement weather and emergency weather days are outlined in the Board's [Severe Weather policy](#), which has been recently updated and is available for public comment. Seeking feedback from staff and community members, including parents/guardians, is an important part of the review process. All [policies available for comment](#) are sent to school council chairs and are posted on the Board website, along with information about how to provide feedback.
