Vancouver in May 2019

Bur Oak S.S has an incredible learning opportunity for students in May 2019. The Visual Arts and History departments are collaborating to take students to Vancouver to experience the art, culture and history of the West Coast. The trip runs from May 16-21, 2019. Students will participate in a variety of learning opportunities throughout Vancouver and Whistler focusing on art and the history of Indigenous People in Canada. For information please contact Ms. DeVries - michele.devries@yrdsb.ca or Mrs. Musselman - heather.musselman@yrdsb.ca

School Council Forum

Parents are invited to attend the **School Council Forum** on **Monday, November 26, 2018** at Milliken Mills High School. Sessions run from 5:30pm to 8:30pm

FLU SEASON IS HERE

Get the flu shot as early as possible

The first and best step to preventing the flu (or influenza), is to **get the flu shot every year**. The flu spreads quickly and easily from an infected person to others and anyone can get it. Getting the flu shot can protect you, your family and those around you.

Students may be at higher risk of getting the flu as they come together in close public spaces including the classroom, gymnasium, cafeteria and library.

The flu shot is especially important for students who have a chronic condition (e.g. asthma, diabetes) or those who live with or have close contact with a pregnant woman, kids less than five years old, or a resident of a nursing home or other chronic care facility since these groups are at higher risk of getting very sick or being hospitalized because of the flu.

Flu shots are free and are readily available at:

- Health care provider's offices for people six months of age and older
- Participating pharmacies, for people five years of age and older

In addition to getting the flu shot annually, here are some other health tips that can help prevent the spread of the flu:

- Wash your hands well and often with either soap and water or alcohol based hand rub
- Cover your mouth and nose when you cough or sneeze (if you do not have a tissue, cough into your upper sleeve)
- Avoid touching your eyes, nose and mouth
- Stay home when you're sick
- Clean and disinfect surfaces and shared items

It's important to get the flu shot as early as possible as it can take nearly **two weeks** for the influenza vaccine to take full effect.

To learn more about flu and flu vaccine, visit york.ca/flu.

NEW! Pathways Planning and Course Selection Platform: **Grades 7 - 12**

The York Region District School Board will be providing your child with an engaging and new interactive online education and career/life planning platform starting in November 2018. Career Cruising will not be available to students after November 15, 2018. Students will be notified via their GAPPS account email of the steps required to save information, that has been stored in their Individual Pathway Plan (IPP,) from Career Cruising into their GAPPS account.

This new platform will include a number of beneficial resources to support your child as they progress through high school, including:

- **Who Am I** – 6 unique assessments for self-exploration and discovery (including Learning Styles, Myers-Briggs Personality, Holland Interests, Knowledge, Motivations, and Compatibility)
- **High School** – A tool to visually plan courses, track progress toward graduation, and instantly identify post-secondary eligibility for opportunities in all pathways
- **Post-Secondary** – A database to explore post-secondary opportunities and compare detailed information on apprenticeships, college programs, university programs and workplace sectors across Canada
- **Goals** – An interactive goal setting tool to set S.M.A.R.T. goals and action plans
- **Occupations** – A database of over 500 occupations to compare comprehensive information on jobs
- **Resumes & Cover Letters** – Interactive tools to record personal experiences, build resumes and write cover letters
- **Money** – An engaging budget-making tool to help students track income and expenses and develop financial literacy
- **Job Search** – A tool to explore real-world job postings that relate to occupations of interest
- **Portfolios** – A portfolio builder to create multiple portfolios and share it with parents, teachers, or future employers

Schools will be receiving more information regarding the transition to this new platform in the coming weeks and will continue to provide students and parents/guardians with updates.

Please encourage your child to move their Career Cruising files to the Google Drive using [these steps](#).

Take Our Kids to Work day is in its 24th year. On **Wednesday, November 14, 2018** Grade 9 students across Canada will spend the day at the workplace of a parent, guardian, relative, friend or volunteer host.

Parents and guardians invite their own children to join them at work for the day, but if this is not possible, there are other ways for your child to participate:

- Ask a relative, neighbour or family friend to take your child to work.
- Ask a parent who is taking his or her child to work if your son or daughter can join them for the day.
- Contact local businesses and ask if they are participating in Take Our Kids to Work day. Inquire if someone within their organization would be willing to host your child, providing you make the necessary transportation arrangements.

For more information, visit <https://www.thelearningpartnership.ca/events/take-our-kids-to-work-day> website.

Thanks to our partnership with the Immigrant Youth Centre (IYC) we have students new to Canada participating at the “Take Our Kids to Work Day @ IYC”. See Ms. McSween for more information.

Legalization of Cannabis

As of October 17, 2018, it will be legal for individuals **19 and older** to buy, use, possess and grow recreational cannabis. It remains illegal for anyone under the age of 19. This is the same as the minimum age for the sale of tobacco and alcohol in Ontario. **Regardless of age, cannabis is not allowed on school property or at school-related events at any time.**

It is illegal for **anyone** regardless of age to smoke or vape any substance, including cannabis:

- at school, on school grounds, and all public areas within 20m of these grounds
- on children's playgrounds and public areas within 20m of playgrounds
- in child care centres, or where an early years program is provided
- in places where home child care is provided – even if children aren't present

**Please note that in Markham the by-law states that cannabis can only be consumed in private residences.*

There will be consequences for students if they are believed to be in possession or under the influence of alcohol, illegal drugs or cannabis. Suspension will be considered. There are exceptions if the medicinal use of cannabis is outlined in the student's Health Care Plan.

If a student gives alcohol or cannabis to anyone under the age of 19, the school will contact police, suspend the student and consider expulsion.

In YRDSB, we want families and students to be informed about the facts of cannabis legalization. To support this learning, you may find the following resources helpful. You can also request a hard copy through the school office.

[Cannabis: What Parents/Guardians and Caregivers Need to Know](#)

[Cannabis Talk Kit: Know How to Talk with Your Teen](#)

We will continue to provide students with information and support to make positive and healthy decisions.

If you have any questions, please do not hesitate to contact the school's administration.

Bur Oak Secondary School933 Bur Oak Avenue

Fax: (905) 202-1236R. Li
PrincipalE. Sloan
Vice-PrincipalV. Wonnacott
Vice-Principal

Dear parents/guardians,

As part of a partnership between YRDSB and Renewed Computer Technology (RCT), qualified families with children enrolled at our school have the opportunity to purchase quality refurbished computers at a reduced cost.

Applicants must live in Ontario, have a student enrolled at the school and either receive government assistance payments or qualify as a limited income earner under the limited income cut-off standards*.

Below is a limited income grid for your reference.

Family size	Annual income*
2 people	\$30,286
3 people	\$37,234
4 people	\$45,206
5 people	\$51,272
6 people	\$57,286
7 people or more	\$64,381

Desktop computers are available for \$71 and laptop computers are available for \$161, including software, a two-year hardware and labour depot warranty, and delivery to the school. Parents and legal guardians may apply for one computer per student, with a limit of two per household.

If you are interested in applying, please finalize your order no later than **November 9, 2018** by completing an online application at www.rcto.ca/outreach using the group code on the attached program flyer.

Please note - There are sections in the RCT Online Application that are no longer applicable:

- Requirement of Proof or Documentation of Income
- Requirement to participate in training prior to receiving your computer/laptop

The Section on Course of Study can pertain to elementary or secondary.

If you do not have access to a computer or the Internet, you may arrange to use a school computer to complete the application online.

For more information, including complete application and payment instructions, please refer to the attached program flyer and checklist.

Sincerely,

R. Li
Principal

RCT

Renewed Computer Technology

DO YOU NEED A COMPUTER

Renewed Computer Technology (RCT) is a not-for-profit, charitable organization that empowers learners, educators and not-for-profit organizations with access to affordable, renewed computers to help meet education and career goals. Provincial Consultations on Education Reform

Ontario has launched consultations on **education reform**. There will be three ways for people to participate:

- An online submission form, available now, that allows people, organizations or groups to provide their views on any of the consultation topics. Submissions can also be sent to the ministry by emailing fortheparents@ontario.ca or ausedesparents@ontario.ca.
- An online survey that will be available soon in English and French, with questions that relate to the key themes below.
- Telephone town halls across Ontario, with separate town halls in English and French. The telephone town hall discussions will be aligned with the themes discussed in the survey. The dates and times of these town halls will be posted on fortheparents.ca as they become available.

The consultations are intended to focus on the following topics:

- How to improve student performance in the disciplines of Science, Technology, Engineering and Math (STEM);
- How our schools are preparing students with needed job skills; What more can be done to ensure students graduate with important life skills, like financial literacy;
- How to build an updated and age-appropriate Health and Physical Education curriculum that includes subjects like sexual health education, mental health and the legalization of cannabis;
- What measures can be taken to improve standardized testing;
- What steps schools should take regarding the use of technology in classrooms, such as the use of cell phones;
- What elements would participants like to see included in the Ministry of Education
- Parents' Bill of Rights.
