Land Acknowledgement

We affirm that we are all treaty people and acknowledge that the York Region District School Board is located on the lands of two treaties. These treaties have been signed with the Mississaugas of the Credit First Nation and the First Nations of the Williams Treaties who are: the Mississaugas of Alderville, Curve Lake, Hiawatha, Scugog Island; and the Chippewas of Beausoleil, Rama, and Georgina Island who is our closest neighbour and partner in education.

To honour this agreement we will take up our responsibility to be respectful of their traditions, knowledge and inherent rights as sovereign nations. We will respect their relationship with these lands and recognize that our connection to this land is through the continued relationship with these First Nations, and we acknowledge our shared responsibility to respect and care for the land and waters for future generations.

Booking with your guidance counsellor

BOSS Guidance:
Grade 12 Google
Classroom

Code: **p3yews7**

- Visit the guidance page on the BOSS school website OR the Google Classroom:
 - Booking calendars for each counsellor can be found there
 - Remember:
 - Come to guidance for your scheduled time

Issues Affecting Graduation

- Realistic choices
- Don't just think about marks
- Make several plans
- Manage family pressure
- Don't always take the easy way
- Find a school-life balance
- Focus on personal wellness

Issues Affecting Graduation

**Full
Disclosure
Nov 27th**

Dropping Classes

- Full time status = 3 courses/semester
- Remember full disclosure dates* (~5 days after mid-term reports distributed)
- Will not drop courses for night school, e-learning or private school
- VP decides part-time status

*Full Disclosure: the last day to drop a grade 11 or 12 course without the mark appearing on your permanent transcript

* There is a full disclosure date each semester (Sem 1 – Nov 27th/Sem 2 – May 6th)

Issues Affecting Graduation

Private School

- Must meet with your guidance counsellor to discuss and complete necessary forms
- YOU must make sure the private school sends us marks BEFORE graduation
- We CANNOT submit midterm and final marks for private school to OUAC

Issues Affecting Graduation

Additional YRDSB Credits

- Meet with counsellor if considering night school or DSOL (day school online learning)
- Cannot sign up for a course you already have scheduled at BOSS

Issues Affecting Graduation

Finding the Funds

- Start the conversation at home (savings, OSAP.....)
- Part-time/Summer jobs
- Entrance scholarships – grades count
 - As information comes in about scholarships Guidance will let you know via our Google Classroom

Online – Opt Out

- If you have not already completed the opt out form, and are not intending on doing two online courses, the form must be completed and handed in.

Issues Affecting Graduation

Volunteer Hours & OSSLT

- Presently all graduation requirements have not been modified
 - 40 hours of Community Service
 - OSSLT is a graduation requirement for students graduating in 2024
- Community Hour submission procedures – see the Google Classroom
 - No home related activities accepted

Issues Affecting Graduation

SHSM

- Check with Counsellor about your progress by booking an appointment.
Remember to check GAPPS email regularly for upcoming events/certifications...
- SHSM Student G-Site → <https://sites.google.com/gapps.yrdsb.ca/shsm-student/home>

But Still Remember to...

- Keep track of your certifications, reach-aheads etc...
- Take major courses in YRDSB
- Check to see that your SHSM courses are planned for this year

What comes next?

- ✓ Workplace– permanent or gap year
- ✓ Apprenticeship
- ✓ Post Secondary Education
 - College (diplomas & degrees)
 - University
 - Joint Programs

Or any combination of the
above!

Post Secondary Planning

- ❑ Do your research and explore your options
- ❑ Look into all options:
 - ❑ Workplace
 - ❑ Apprenticeship
 - ❑ College
 - ❑ University
 - ❑ In province, out of province, out of country
- ❑ Then make informed decisions.

Ask yourself:

- Do you need a diploma, advanced diploma, work experience or a degree?
- Where is the best place to earn this?
- Can I start with a diploma and move towards a degree?
Or vice versa?

Apprenticeship (Skilled Trades)

- ❑ Earn While You Learn
- ❑ If this interests you – please book an appointment with your counsellor to explore this further
- ❑ Most learning is one on one with a *journeyperson* who is already certified in the trade
- ❑ Not through application to post secondary
- ❑ Portion of learning takes place at College

Diploma Programs (College)

- Academic plus “applied” learning with preparation for employment
 - Examples: Applied arts, business, health and human services and technology
- Transition pathway:
 - General Arts and Science Program for 2 years
 - Eligible to transfer to degree program or advanced diploma (check transfer agreements)
- “Pre” or Foundation: to prepare or upgrade (1 year)

Diploma Programs (College)

- 2–3 years in career related area (most programs include work experience); some have optional co-op
- Technology vs Technician (ex. Engineering)
- 2 year Diploma or 3 year Advanced Diploma – may be able to transfer into degree program
- Affiliations and additional credential may be included
- Programs may start in September, January or May

Diploma Programs (College)

Not sure Diploma
Requirements?
Book an
appointment with
your Counsellor!

- Admission Requirements:
 - Graduation and grade 12 English (which level will you be most successful?)
 - May consider other Grade 11 and 12 marks (including co-op)
 - Averages 65% or above
 - Highly competitive programs – averages may be much higher
 - May require specific courses (ex. math, science...)
 - May include non-academic criteria (audition, interview...)

Degree Programs

Why?

- ❑ Some specific occupations require a degree
- ❑ Passion for academic learning in a specific area
- ❑ Future employment edge through specialized degree program

Degrees are offered at both College & University

Degree Programs

What do I need?

- ❑ Usually a minimum of 75% average in six “U” or “M” courses
- ❑ Grades vs. Grades Plus (interview, supplementary, application, audition, portfolio...)
- ❑ Both College & University degrees require six grade 12 “U” or “M” courses

Degree - Admission Requirements

- ❑ Based on six Grade 12 “U” or “M” level courses
- ❑ Prerequisite courses are included (including English)
- ❑ May state minimum averages
 - ❑ E.g. minimum of 70% in MCV4U

**ENG4U does NOT have to be
scheduled in semester one for
admissions!!!**

Degree - Admission Requirements

- ❑ Every school calculates averages differently
- ❑ Repeated or non-day school courses *may* be treated differently
 - ❑ Private school will be noted as such on your OUAC applications!
- ❑ Conditional offers will state averages that must be maintained (if in doubt, ask the school)
- ❑ ALL offers are conditional offers

Applying Outside of Ontario?

- ❑ If you are applying to post-secondary outside Ontario (other Canadian provinces, USA, UK, China, Hong Kong etc....) you **MUST** make an appointment with Ms. Doganoglu
- ❑ This is to ensure that your application process is smooth and that any documents (ie. transcripts) that need to be sent, are taken care of

Joint Programs

- Degree and diploma from the partner schools in four years (College and University)
- Prerequisite based on degree requirements (Six grade 12 U or M courses)
- Examples:
 - New Media, Journalism, Paramedicine

For a list of collaborative University and College Programs

Your Pathway is Flexible

- You can move between College & University
- Colleges & Universities have agreements for transferring credits between programs and institutions
 - Over 60,000 students a year take advantage of these each year in Ontario
- Current agreements can be searched using ontransfer.ca portal

Supplementary Applications

- This is between you and the post-secondary school not the application centre
- Read everything carefully
- Deemed Optional? Submit it anyway!
- Deadlines are firm
- Reference – always ask your referee first and give them notice
- Make a professional email address
- Paper Transcript required?
 - Set appointment with counsellor to make sure.

Doing Your Research: Make Informed Decisions

Remember – BOSS Guidance Counsellors are
here to help you along the way

Know The Facts

There is no such thing
as an “easy” grade 12
course

“U” courses look better
than “M” courses

Having more grade 12
courses “looks” better

Know The Facts

You can pick which courses are sent to the application centre

Don't worry – BOSS teachers will “bump” your marks

Having a specific course in Sem 1 is better than Sem 2
