Full Disclosure

Full Disclosure is the term used to identify when courses will remain as "Withdrawn" on a student's transcript. This semester, Full Disclosure will take place by **Tuesday May 7, 2024**. This only impacts grade 11 and 12 courses.

Grade 11 students must continue to maintain four full credits this semester. Removing courses must meet specific criteria and are typically only approved by administration in unusual circumstances.

While May 7 is the deadline, it is critical that any drop requests take place the two weeks prior to ensure appointments can be taken and all sign-offs are completed properly. The last day to request a course drop, before Full Disclosure was **Friday May 3, 2024**. This was communicated to students via the Google Classroom.

Please note, grade 11 students and grade 12 students who are not graduating do not have any data shared to outside application centres.

Grade 12 students should consider the following steps when considering a drop request:

*Have student discuss with their teacher a plan to successfully meet their academic goals in the course

*Get the facts from Post-Secondary Institutions to feel comfortable about the weight and significance of their mid-semester marks for this year's admissions process.

*Speak with their Guidance Counsellor to feel comfortable and build a plan about their goals for this year and get perspective on what may work best for them.

3 R's at Bur Oak Secondary School

At Bur Oak S.S., we have our **3 R's - Respect, Responsibility, Relationships** (see below) to maintain the positive, welcoming, respectful and inclusive learning environment at our school!

3Rs – Respect, Responsibility, Relationships

As Bulldogs, we:

- Are respectful, take responsibility and leave things better than we found it, and build positive and healthy relationships.
- Stand quietly during the playing of the National Anthem. If we arrive late to school, we stand quietly during the National Anthem and walk quietly to period 1 class during the morning announcements.
- Eat lunch in the cafeteria or in the first floor atrium during our lunch period 2, 3, or 4. We pick up after ourselves.
- Do not eat nor sit in the first floor hallways and we do not eat nor sit in the second floor hallways. We are not in the stairwells and we do not wander the hallways. We are respectful for classes in session.
- Do not congregate nor hang out in washrooms. We maintain a welcoming and safe school environment for students to use the washroom. We understand that nobody should feel intimidated in any parts of the school building.
- Use the first floor atrium tables for quiet study. We sit on chairs. We do not sit on top of the table and we do not lie down on tables or the floor.
- Wear earbuds for music in the hallways and atrium. We respect the environment of others by not using loud speakers.
- Dress appropriately for school.
- Ask our teacher for permission to leave the classroom to use the washroom or get a drink of water. We sign out to leave the classroom and sign in when we return to the classroom.

Have a wonderful weekend!
