To our Cedarwood Family!

On behalf of our staff, we'd like to wish you the very best that the holidays bring; time with family and enjoying all the break has to offer.

As we prepare for the New Year, we'd like to remind you of the safety practices we have at Cedarwood. Student safety is our utmost priority so please keep these in mind when we begin on January 6.

1. Direct entry begins at 7:45 am and the instructional day begins at 8 am. Staff supervision begins at 7:45 am at which time students are permitted to go to their lockers and hooks to get ready for the day.
2. Heed the directions of the crossing guard at drop-off and pick-up times. This is for the safety for all our students and families who walk to school on a daily basis.
3. Pull forward to the STOP sign in the drop off loop so that we can safely disembark a number of students and reduce the backlog on the street.
4. If your child is dropped off later than 8am, please bring them into the school via the office so they can get a late slip—this helps to identify their entry into the school for attendance purposes.
5. Encourage students to use the sidewalks to enter the school building.

Your support of our commitment to student safety is vital as we continue to build Cedarwood as a great place to learn and grow.

**Kindergarten Registration to  
Commence January 17, 2020**  
for the 2020-21 school year. Registration forms are available on YRDSB's website: [www.yrdsb.ca](http://www.yrdsb.ca) . Children who turn four or five years old during 2020, live within the school boundary and whose parents are public school tax supporters will be eligible to register for kindergarten. A kindergarten information session for parents is being planned for this spring. We are pleased to announce that Kindergarten online registration will continue to be offered to families. The paper registration process continues to be an option that is offered to all families. The online Kindergarten registration process will be hosted in **EDSBY**. This process allows families to complete most of the Kindergarten registration online. The online forms include the Elementary Registration Form, Kindergarten Parent Questionnaire, and the Ministry of Education Survey (EYE@K). Once families complete the online

**Reminder...** It is a good time to check if your child has outgrown their indoor shoes. Please consider Velcro shoes if your child does not know how to tie their laces or to avoid trips and falls. Consider teaching your child how to tie their laces for safety reasons. Thank you!
