AT A GLANCE INFORMATION

Meet the Teacher Night: During the week of October 19th-22nd teachers at Clearmeadow PS will be hosting virtual Meet the Teacher night presentations. Please look for an email from your child (ren)'s teacher on how to access their Google Meet. Because the presentations are being held on different nights, you may receive invitations for multiple evenings. If you have any questions, please reach out to your child's teacher. Please click [here](#) for the Administrator's Message regarding Meet the Teacher Night next week.

A Message from Mr. Parke:

Dear Parents, I am the ESL teacher at Clearmeadow. This year, we have been provided additional time for ESL support, due to growing numbers of English Language Learners at Clearmeadow PS. Due to Covid-19 safety protocols, our processes for working with students are a little different this year, in order to ensure that there is no classroom cohort crossover. In my role as the ESL teacher, I work with a few students from one class at a time, in small, socially distanced groups for reading and writing. I also work with individual students within the class, supporting them to learn English vocabulary and helping them to access grade level curriculum through the use of technology, accommodations and sometimes modifications to the curriculum. I also support teachers, in a collaborative way, to adjust tasks and learning opportunities so that ESL students can access curriculum.

To reach me with any questions or concerns throughout the year, please contact me

by email or school phone number (905-868-8081). My email is david.parke@yrdsb.ca

REVISED SCHOOL SCREENING CHECKLIST

Every day, parents/guardians and students over 18 are responsible for reviewing and adhering to the checklist from York Region Public Health. This checklist has been recently updated to reflect the Ontario government's revised COVID-19 Screening Tool for Children in Schools and Child Care.

Please note that the new screening guide applies to children only and the adult screening has not changed. Thank you for working with us to protect the health and safety of students, staff and families and to reduce the spread of COVID-19.

PLEASE COMPLETE BEFORE ENTERING THE SCHOOL

1. Does your child have any of the following **new or worsening** symptoms?*

FEVER AND/OR CHILLS
(temperature of 37.8°C or greater)

NEW OR WORSENING COUGH

SHORTNESS OF BREATH

DECREASE OR LOSS OF SMELL OR TASTE

IF "YES":

- Your child should stay home to isolate
- Contact your child's health care provider for further advice or assessment, including if your child needs a COVID-19 test or other treatment

2. Does your child have any of the following **new or worsening** symptoms?*

SORE THROAT OR DIFFICULTY SWALLOWING

RUNNY NOSE, OR NASAL CONGESTION
(unrelated to seasonal allergies or returning inside from the cold)

HEADACHE

NAUSEA/VOMITING AND/OR DIARRHEA

FATIGUE, LETHARGY, MUSCLE ACHE AND/OR MALAISE

IF "YES" TO 1 SYMPTOM:

- Your child should stay home for 24 hours from when the symptom started
- Your child may return to school/child care if symptom is improving and they feel well enough (no test is needed)
- If the symptom persists or worsens, contact your child's health care provider for further advice or assessment, including if your child needs a COVID-19 test or other treatment

IF "YES" TO 2 OR MORE SYMPTOMS:

- Your child should stay home to isolate
- Contact your child's health care provider for further advice or assessment, including if your child needs a COVID-19 test or other treatment

3. Has your child travelled outside of Canada in the past 14 days?

Yes No

4. Has your child been identified as a close contact of someone with COVID-19?

Yes No

5. Has your child been instructed to stay home and self-isolate?

Yes No

IF YOU ANSWERED "YES" TO QUESTION 3, 4 OR 5:

Your child must stay home and self-isolate for 14 days from the date of their last travel or the dates of last contact with a case. Follow the advice of York Region Public Health.

*Children who have an existing health condition identified by a health care provider that gives them the symptoms should not answer YES, unless the symptom is new, different or getting worse. Look for changes from your child's normal symptoms.
