*Terry Fox - Ms. McKeown's Class*

The students in Ms. McKeown grade 3 class worked in small groups to read and reflect upon Terry Fox's incredible journey. Together, they learned about Terry's early life as a young man, his diagnosis, the Marathon of Hope and Terry's legacy. They learned about the power of perseverance when faced with difficult challenges and realized that anything is possible with hard work and determination. Their posters demonstrate student's appreciation for Terry's contributions to Cancer research and the world.
