AT A GLANCE INFORMATION

French Immersion at Clearmeadow: Beginning in September 2021, French Immersion for Grade 1 classes (that normally go to Poplar Bank PS) will be now attending Clearmeadow PS. Parents or guardians of Senior Kindergarten students entering Grade 1 in 2021, and wishing to enrol in the FI Program, can email or call Clearmeadow PS office and indicate their intention to enroll and collect any necessary information. **You are asked to register by February 5, 2021.** Registration during this period is not first come, first served. Late registrations are those submitted after February 5, 2021. Late registrations will be treated on a first- come, first-served basis and will be considered subsequent to registrations received during the registration period should overflow be necessary.

FDK Registration for 2021-2022: Kindergarten registration for September 2021 begins January 15 for the 2021-22 school year. We look forward to welcoming our new students and families to our school. Children who turn four or five years old during 2020, live within the school boundary and whose parents are public school tax supporters, will be eligible to register for kindergarten.

Register for Kindergarten:

Online. You can access the online registration information at bit.ly/KindergartenYRDSB. A laptop or desktop computer is strongly recommended to complete the online registration, rather than a mobile device. Once you have completed the forms online, you will need to take some required documents to your school for verification only. This can be done by appointment only and must follow all COVID19 health and safety protocols.
