Dear Clearmeadow PS families,

If you have a child in Grade 7C, you may have heard that Mr. Mako has announced that he will be retiring very soon. The last day with his class will be Friday, February 5. This was a tough decision for Mr. Mako but one that he needed to make in order to focus on his physical health. We are thrilled that Ms. Brown is able to increase her teaching time to become the full time teacher for the Grade 7C class, effective Monday, February 8.

Mr. Mako has been teaching for nineteen years. He began his teaching career at Devins Drive Public School in Aurora. After three years, he went to Aurora Grove Public School, where he taught many grades and subject areas for twelve years. He transferred to Clearmeadow PS four years ago. During his time here, he has taught homeroom classes in Junior and Intermediate divisions and has supported prep coverage and rotary in all three divisions. Mr. Mako has supported many extra-curricular clubs over the years. At Clearmeadow PS, he served as coach for Flag Football and supported Chess Club and Board Games clubs at recess.

We want to thank Mr. Mako for his committed service to students and families at Clearmeadow PS during the past 4 years. We appreciate his collaboration, teamwork, and care. We look forward to the time when we are able to recognize and celebrate this important milestone in person with Mr. Mako and our other educators who have become retirees over the past pandemic year.

Mr. Mako would like to say thank you to everyone at Clearmeadow for their dedication to student success, even in difficult situations. Mr. Mako, we wish you the very best that retirement has to offer!

Sincerely,

Janine Stutt
Principal
