November 9, 2020

Dear Parents/Guardians:

We hope this correspondence finds you and your family well.

As communicated to you earlier we are holding our first virtual Parents/Guardians Interview Night during the evening of Thursday, November 12 and the morning of Friday November 13. As of Monday November 2, you have been able to schedule interview times with your child's teacher/s through EDSBY Scheduler. Teachers may establish interview communications using Google Meet, Zoom or Phone. Parents/Guardians Interview Nights and reports cards are part of the ongoing communication from our school to support students and we hope that you are able to connect with your child's teachers on November 12 or 13. If you need support, please connect with your child's teacher.

Your child's Term 1 Progress report will be distributed electronically the following week on November 19 and 20, using their student GAPPS account. Further information on how to access this report will be shared November 16.

The Progress Report, provides you with information about your child's general progress in working toward the achievement of the curriculum expectations across subject areas. The Report Card has only the following Ministry provided indicators:

- *Progressing with Difficulty*
- *Progressing Well*
- *Progressing Very Well*

As typical, not all strands/subjects may be taught/ assessed by this time or in this term. This year, reintegration into the school environment may take additional time, and the early part of the school year may focus on mental health, well-being and the development of a safe, inviting and inclusive learning community.

For all Progress Reports, our board will include the following statement provided by the Ministry of Education:

*"This reporting period reflects learning that has occurred in a modified learning environment, as required by the provincial public health guidelines. As a result, the rate of progress described on this report card may differ from previous years due to the ongoing impact of COVID-19 on student learning. Ongoing communication with your child's teacher will provide additional information pertaining to student progress throughout the term."*

Overall, progress reports provide you information about your child's achievement during the first part of the term. We hope that this report will encourage your child while supporting conversations about learning at home.

Sincerely,

Janine Stutt  
Principal  
Clearmeadow PS

Ingrid Legros  
Vice-Principal  
Clearmeadow PS
