Your responses will remain confidential and will solely be used by the planning committee to inform our future programming. Thank you for taking a few minutes to share your thoughts!

Sincerely, Clearmeadow PS

# Important Reminders for Student Safe Arrival Procedures

We would like to remind families to report any student absences. As per [Board Policy and Procedures #665.0, Safe Arrivals and Departures – Elementary and Secondary Students](#), if your child's absence is still not verified even after exhausting different steps to connect with the family, York Regional Police will be contacted and may be dispatched to your residence.

We remind parent(s)/guardian(s) to update the school with all emergency contact information when changes are made. Thank you for your cooperation in reporting student absences.

## Before School Supervision

## Important Reminder to Families

We would like to remind all families that students are supervised on school property starting from 8:45 am. If your child goes to the park before the start of school, please ensure they are supervised by an adult as this is not a supervised area before school.

Thank you for your cooperation.

## Halloween

## Fall and Halloween Celebrations

As the end of the month draws near, there will be a number of fall and Halloween celebrations. We would like to remind our families of appropriate costumes and attire for these celebrations:

- Costumes should be comfortable and easy for students to put on and take off.
- Students should arrive at school wearing their costumes.
- Costumes should not include masks or items/articles with blood and gore.
- In the spirit of Truth and Reconciliation, costumes should not trivialize or devalue the lives of Indigenous peoples in Canada.
- Costumes should be respectful of others. Symbols or objects representative of a person's race, culture, ethnicity, or religious beliefs should not be worn as another person's costume, nor should costumes that caricature social identities through stereotyping.
- In keeping with our Caring and Safe Schools Policy, weapons or replica weapons of any sort will not be permitted.

**As these are fall celebrations, students and families may choose to send their child to school in autumn/fall colors such as orange, red, and black as an alternative.** At Clearmeadow, we want all of our students to feel safe and included.

Thank you for your cooperation and support.
