

We recognize the hurt and harm that our Black students, families and staff are facing during these difficult times. As one means to support them, we invite Black students in grades 2 to 10 to participate in a live presentation of Traditional Afro-Caribbean Dancing.

We hope that, through these presentations, our Black students will have an opportunity to express themselves through dance.

The presentations will take place on **Wednesday June 24th** and **Thursday June 25th** from **9:30 - 10:15 a.m.** and **2:00 - 2:45 p.m.**
