Virtual Graduation for Elementary Class of 2020

To Parents of Graduates

The upcoming Virtual Graduation is a celebration of student success, friendships and highlighting these years at our school. As a formal and celebratory event, it is expected that all participants and viewers follow the School Code of Behaviour and appropriate use of technology agreement. The graduation will be in the form of a slide-deck. As part of the graduation, we will be sharing student pictures, student names and award recipients. To facilitate this, your child's picture and full name will be displayed during the event.

Confidentiality: Virtual Graduation in whole or part is solely intended for personal viewing use only. Parents and students and others viewing (i.e. grandparents) the event are not permitted to post or reproduce this video in any other public forum.

If you **do not consent** to have your child's image presented at Virtual Graduation, please complete and return the following by **Friday, November 6, 2020**.

Student Name: _____ Student Number: _____

- I do not consent to have my child's picture in the video.

- I do approve of a silhouette representing my child's picture in the video. (Name will be published)
