

Coppard Glen's School Council Presents.....

MATHEMATICS through Hands On Learning

FOR PARENTS OF STUDENTS
from Kindergarten to Grade 6

Come join us to learn more about math and how manipulatives and hands on tools can be used to deepen student understanding of mathematics and support their math learning. Families will have opportunities to learn more about math education in Ontario.

*Please join us for this interactive and informative session on
MATH LEARNING with Professor Brown
Wednesday, November 9th, 6:30 - 8:00 p.m.
in the School Library*

ABOUT Professor Trevor Brown

Professor Brown has been a guest speaker at Ontario's OAME (Ontario Association for Mathematics Education) conference and has supported many schools across Ontario. He has co-authored the Math Makes Sense textbooks and is currently an Associate professor at Tyndale University and a Course Director for Mathematics at York University.

****Translator Services and Child Care will be provided****
