We are a village, growing together

December 15, 2023.

Hello Cornell Village Families,

On Wednesday, we were treated to the musical talents of our kindergarten, primary and grade 3/4 students. It was absolutely INCREDIBLE! We know that all of the students who performed benefitted from this amazing opportunity. We hope that all of the families who attended enjoyed the shows. A special thank you to Mrs. Perritt, Mrs. Kennedy, Ms. Cockburn, Ms. Mac, Mrs. Peters, Mrs. Whitehead, Mrs. Giovannetti, Mrs. Prasath, Mrs. Braybrook, and Mrs. King, for organizing and preparing the students for the concerts.

On Thursday, our junior and intermediate students participated in the String Showcase. It was amazing! A special thank you to **Mrs. Perritt** for all of her hard work and dedication in preparing the students for this wonderful showcase. A shout out to Ms. Cheung, who accompanied Mrs. Perritt and the choir on the piano.

The intermediate students have decided to add a little fun to the week before winter break. Please look at each day to see the theme days they have created!

Be sure to join us on Tuesday morning as our students and their families walk to school. Be sure to **BRING a MUG and enjoy a cup of hot chocolate provided by our amazing School Council! We will have music playing too!**

Happy Chanukah to those families celebrating!

Thank you for all of your support and partnership! As always, reach out if you need us for anything. We are here to help.

Sincerely,

Heather Purcell

Donations to Cornell Village P.S.

This year many of our students have benefited from the generous donations of others in our community. We have had families donate to our lunch programmes. We have another session starting in the new year. If you would like to make a donation to help pay for some student lunches, please email heather.purcell@yrdsb.ca or joanne.trim@yrdsb.ca. Your support is appreciated! Thank you to everyone who has so generously donated to our school. If you are able, we are currently asking for donations to support many of our school initiatives including:

- **Technology:** The school continues to work towards a goal of providing technology devices for each child, starting in Grade 1. Currently there are enough devices in the school for most students to have their own device but we are currently short due to our growing population. Many devices had to be retired earlier this year, as they were obsolete and no longer functional.
- **Arts Enhancement:** Last year, we were able to purchase 90 ukuleles. We would like to continue to enhance our arts and music programs as we look for new ways for our students to enjoy the Arts.
- **Miscellaneous items:** Provide support for school clubs, academic needs, speakers, outdoor equipment and special events.

Donations can be made by clicking on the Donate button on School Cash Online or by sending a cheque made out to Cornell Village Public School. Charitable donation receipts can be emailed to you directly for any amount \$20 or greater. Your donation will go towards all three areas of need.

Grade 1 French Immersion (FI) Information Sessions and Registrations

French Immersion (FI) registration will begin January 19, 2024, and as such, we wanted to take this opportunity to share updated information. FI Information Night will take place on January 18, 2024 at 7 p.m. Please visit the [FSL page](#) for more information about the information night and FI registration. More information about registration will be available in January

What is French Immersion?

- Provides opportunities for students to develop enhanced proficiency in French.
- Students receive instruction in French from teachers who are fluent in French.
- Begins in Grade 1 and is designed for children whose first language is not French.

- In Grades 1, 2 and 3, all subjects are taught in French. Starting in Grade 4, instructional time is shared equally between French and English.
- Program continues in secondary school.
- Secondary school students must earn at least 10 French Immersion credits to qualify for the French Immersion Certificate upon graduation.

Important Considerations

- Grade 1 is the only entry point into French immersion in YRDSB.
- Communication with parents/guardians is in English including, but not limited to, report cards, newsletters and parent-teacher interviews.
- For the first few months of Grade 1, children may not acquire skills identical to those learned by children in an English program as the focus is on learning in French.
- During the first few years of the FI program, students may not develop the same level of English proficiency as their peers in an English program, however children should acquire these skills by the end of Grade 8. Families are encouraged to continue to read to their children in their first language.

FI Accommodation Plan

YRDSB's FI Accommodation Plan provides long-term consistency and equity of access to all students in York Region and will enable YRDSB to continue to offer the FI program to all who wish to enrol. The FI program is offered in Dual Track or Single-Track settings, in a variety of configurations. In order to meet community needs and optimize available space in our schools, a community's Grade 1-8 FI program may be provided over more than one school during the course of a student's FI education. Space requirements at some schools may mean that siblings are in different schools for primary dual track French Immersion programs due to differing grade structures. Like any of our schools across the Board, changes to school boundaries, and/or the accommodation model for the French Immersion program may need to be considered when new schools open, a school experiences enrolment growth, and program changes occur. This will allow flexibility in addressing community needs and the opportunity to use existing space in schools.

More information is available on the [Board's website](#). Please note: Some of the FI accommodation plans will require facility modifications or the development of new schools and will require short-term transition plans that might include overflow while we work toward the long-term vision. Overflow refers to situations in which the Board directs students to attend a school other than their community school or optional program for a specific period of time, as defined in Policy #108.

Information Sessions

This year, our Information session for Grade 1 entry into the French Immersion program will take place in French Immersion schools on January 18, 2024, at 7 p.m. Program locations and additional information is available on our [website](#). If families are unable to attend the information session, they can hear about the French Immersion program on the [Tune In YRDSB: French Immersion Podcast](#).

Registration

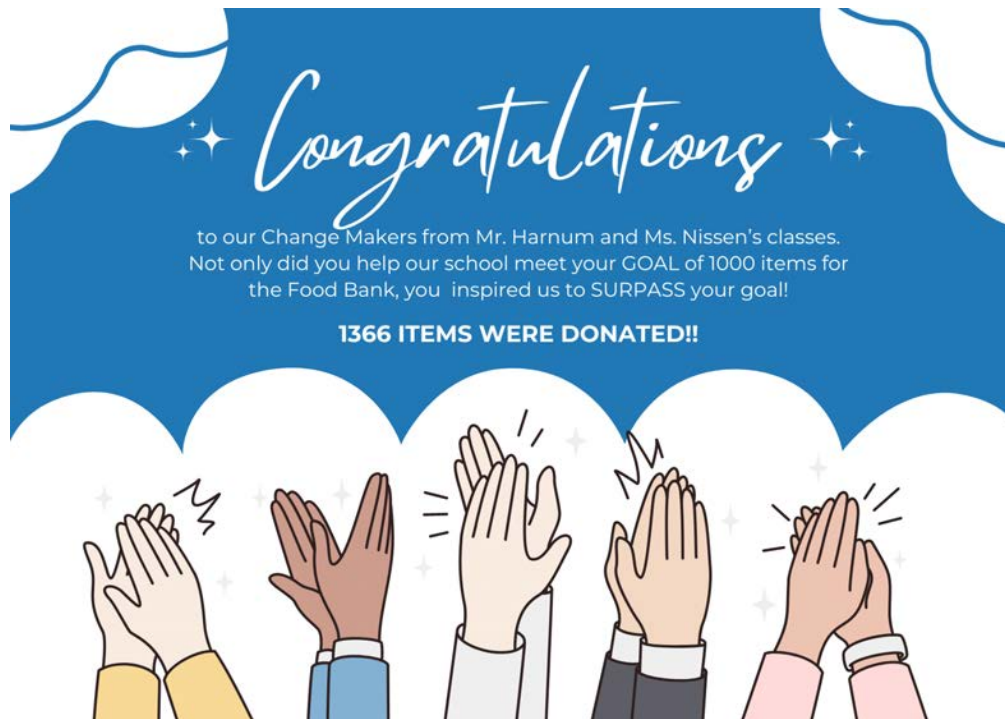

FI registration will begin on January 19, 2024. Parents or guardians of Year 2 Kindergarten students entering Grade 1 in 2023, and wishing to enrol in the FI Program, can email or call their home school office and indicate their intention to enrol. The home school will notify the French Immersion school, and the French Immersion school will contact families by phone or email to collect any necessary information. Families are asked to register by February 6, 2024. Registration during this period is not first come, first served.

Late Registrations

Late registrations are those submitted after February 6, 2024. Late registrations will be treated on a first-come, first-served basis and will be considered subsequent to registrations received during the registration period should overflow be necessary.

Changemakers' Food Drive Update

The Changemakers from Ms. Nissen & Mr. Harnum's Grade 4 Classes are pleased to report that they went way above their goal of 1000 items! The total amount collected was **1366!** We are very proud of this fabulous group of grade 4 students!

CVPS is Eco-friendly!

CVPS is working towards achieving an Ecoschool certification this year! Here is an update on our current initiatives:

1. **Walking/Wheeling Wednesdays** will begin **Wednesday, December 6, and continue for the month of December.** Teachers will hand out ballots to those who walk/bike/carpool/bus to school. Students can write their names on them and find a time to put them in the box in front of Room 206. We will have a lucky draw on the last Wednesday, December 20 for a chance to win one of three prizes (CVPS water bottles).

2. **Battery collection pails** have been placed in the "front" area by the office main entrance and the library. Students can begin bringing in batteries. It is important to **tape the 9V battery terminals to avoid fires.**
3. **Snack pouch collection** bin is also in front of the library where ALL brands are being collected.

Session # 3 School Lunches:

The sign up for session 3 for the lunch programmes is open! **Orders will be accepted on SchoolCash Online until December 20th.** The dates for the lunches are as follows:

Pizza Mondays - Jan. 8, 15, 22, 29, Feb. 5, 12, 26, March 4

Subway Wednesdays - Jan. 10, 17, 24, 31, Feb. 7, 14, 21, 28, March 6

Hero Burger Fridays - Jan. 12, 26, Feb. 9, 16, 23, March 1

Kindergarten Registration Process

Kindergarten registration for the 2024/2025 school year begins on Friday, January 19, 2024.

Kindergarten registration is often a family's first encounter with YRDSB schools. The [Transition to Kindergarten BWW page](#) and the [School Planning Guide](#) are available to support school teams with planning a welcoming and inclusive transition to school process, including registration and spring Discover Kindergarten and Kindergarten Information sessions.

Kindergarten Registration Options for Families

Families can register using the following options:

- Online - Families can access the online Kindergarten registration information at www.yrdsb.ca/kindergarten > Registration. It is recommended that families use a laptop or a desktop, rather than a mobile device to complete this registration.
- By email - Families can download the [Elementary School Registration Form](#) at www.yrdsb.ca/kindergarten and email the completed form to their school email address.
- By phone - Families can request support to complete the registration form on their behalf by collecting the required information by phone. Families can request an interpreter, if needed.
- In-person at the school - Families may visit the school office to drop off or complete a registration form.

Registration Verification Process

Following submission of a registration package, the school will contact families to schedule an appointment for Document Verification.

Extreme Cold Weather and Inclement Weather Days

An **extreme cold weather day** is declared when roads are clear but extreme cold temperatures make it difficult for buses to operate reliably, posing a safety risk to students.

An **inclement weather day** is declared when road or weather conditions make it impossible to operate a school bus safely.

When extreme cold or inclement weather days are called, school transportation, including buses and taxis, are cancelled in the morning and afternoon. Schools will remain open.

Please note: there may be rare occasions when emergency weather conditions occur and we may need to close all schools and Board locations. Please ensure that you take the time to make plans in the event of an emergency school closure.

The decision to declare an extreme cold or inclement weather day and to cancel transportation is made by 6:00 a.m. For more information, including how to check if buses are cancelled, please visit the [School Transportation webpage](#).

Important things to note on designated extreme cold and inclement weather days:

- Students will not be penalized for missing school. If you have concerns about how an extreme cold or inclement weather day will affect your coursework, please speak to your school principal or teacher.
- Any lunch service arrangements made by the school, special lunches or special events/field trips will be cancelled. If you have made lunch arrangements directly with a third party provider please check with them directly, otherwise parents should send a lunch with their child.
- If your child does not take the bus, you need to inform the school office if their child will not be attending on extreme cold and inclement weather days, otherwise the school's safe arrival procedure will apply.
- **If transportation is cancelled in the morning, it will also be cancelled in the afternoon.** If students do go to school, families will need to arrange to pick up their children.
- Parents should use their best judgment to decide whether to send their children to school, understanding that if they choose to send their child, that the child should remain at school for the day and must be picked up at the end of the day.

For more information, please review the [Severe Weather Days Policy](#).

Emergency Weather Days

There may be rare occasions when emergency weather conditions occur and we may need to close all schools and Board locations. Closures will be considered when facilities may not be safe for students and staff members to attend school for the full day. This may include events that significantly limit school operations such as a significant snowfall or ice storm that restricts access to the school site, causes widespread or prolonged power failures or downs power lines.

In keeping with our current practice, we will continue to keep our schools open as much as possible. **However, it is important that families have alternate child care arrangements planned for the rare occasions when schools may be closed. Before and after care programs will also not operate if schools are closed. Please ensure that you take the time to make plans in the event of an emergency school closure.**

Decisions about [student transportation](#) and school closures will be made as early as possible and no later than 6:00 a.m.

Screening Tool

If anyone in your family is feeling ill or showing symptoms such as a fever, cough, runny nose etc, please ensure that you make use of the [screening tool](#) for the 2023-2024 school year and follow the guidance given. This tool has been updated to reflect new protocols and guidelines.

Any students who are experiencing symptoms consistent with COVID-19 as identified in the screening tool (not related to a COVID-19 vaccine) or answer yes to any of the screening questions, must not enter any school and follow the guidance in the screening tool.

Students, staff members and school visitors are not required to wear masks in school. Individuals who feel more comfortable or who are advised to wear a mask can continue to wear a mask and will be supported in doing so. Hand hygiene and cleaning and disinfection protocols will continue.

Prayer Spaces

We have a designated space in the school available for students and staff who wish to pray during the day. Please let your child's teacher know if they need help finding and accessing the prayer room. The room is located beside room 201.

Worth Repeating:

Important Information to Remember:

KISS AND RIDE

The entry bell rings at 8:45 a.m. Students must make every effort to be in school by 9:00 a.m. to ensure “on time” arrival in class. During the early entry time, students may enter the school hallways to unpack their bags and prepare for class. In the interest of safety, it is suggested that students who walk to school should arrive after 8:45 a.m. **when the school is supervised.** Parents who pick up their child after school need to arrive promptly. Supervising staff are on duty in the hallways 15 minutes before the start of first period classes at 9:00 a.m. **NOTE: Supervision is not available after school.** Staff are on duty at the end of the day to assist with bus loading and the safe exit of the building.

EDSBY SIGN UP

This platform will be required to report absences, book appointments and may be used as a communication tool with your child’s teachers. For Edsby to be effective, it contains personal information about you and your family that is collected by the Board at registration. This information is used to provide services and support to you and your family. Edsby is a secure system that keeps your details and information safe and secure.

You will be receiving an invitation to EDBSY if you are new to the school, or you have not yet signed up. Please visit [this link](#) for online resources to help you register and use EDBSY.

Reporting Student Absences and Lates

We are pleased to let you know that we have a telephone attendance reporting system. This is in addition to online absence reporting through Edsby.

Regular and punctual attendance affects school success and is expected of all students. You are responsible for notifying the school before the bell time if your child will be absent or late. We have a safe arrivals program so that we can account for the whereabouts of absent students if the absence has not been reported prior to bell time.

To enhance our safe arrivals system, this new telephone system will reduce the time it takes to verify student attendance. It will also confirm student absences that have not been verified by automatically calling you.

If your child is going to be absent or late, please let us know before bell time by: 8:50 a.m.

1. **Logging in to Edsby and using the “Report an Absence” feature.** For more information on reporting your child’s attendance through Edsby, please see the [online video tutorial to learn more](https://bit.ly/edsbyabsence) (bit.ly/edsbyabsence).

*** If you are going on an extended vacation, please enter this on Edsby**

2. **Calling the school's main phone line at 905 471-1694 and select the option “To report a student absence or late.”**

Long-term absences or absences beyond the following day can be reported through the new telephone absence reporting system, Edsby or by contacting the school. If your child will miss more than 5 consecutive days of school, you must complete the Request for Vacation Form available through the school.

Thank you for your cooperation as we continue to ensure the safety of our students. Please feel free to contact us with any further questions.
