We are a village, growing together

February 28, 2025

We are very proud of our Intermediate Girls and Boys' Basketball teams for their hard work with the area tournaments this week. It was amazing to see both our girls and boys intermediate teams compete with intensity, all the while demonstrating incredible team play and sportsmanship. Our girls' team finished 4th overall, in our area!

Wednesday was Pink Shirt Day. Cornell Village was a sea of pink as students and staff focused on putting a stop to bullying and all forms of discrimination.

We continue to have reports of Snapchat and Discord chat groups. Please refer to the email we sent earlier this week. Thank you for your continued support in keeping our students safe.

Have a fantastic weekend!

As always, please reach out if we can help with anything at all!

Sincerely,

Heather Purcell

Families Planning to Move or Students Not Returning in September

As we begin our planning for the **2025-2026** school year, we kindly ask you to inform the school office if your family has plans to move over the summer, or if your children will not be returning in September for any reason. This information helps us to ensure a smooth transition for all students and to make necessary staffing arrangements for the upcoming academic year. Your cooperation is greatly appreciated and helps us in planning effectively for the new school year. **Thank you for your support.**

Our Lost & Found is Growing!!!

You are welcome to pop into the school at the end of the day and walk down to the Lost and Found tables to take a closer look. As you can see, we have **MANY** mitts and gloves that would be helpful outside at recess.

This is also a good time to remind everyone about Mabel's Labels!

Our school is fundraising with Mabel's Labels! If you're not familiar with Mabel's Labels, they are personalized, durable, waterproof labels. They are great for everything from shoes, clothing tags, water bottles and backpacks. You can customize them with your name and a design, and they are dishwasher, laundry and microwave safe.

Mabel's Labels also offers clothing stamps, silicone bands for water bottles and medical alert labels. This is a great way to ensure your items don't end up in the lost & found or mixed up. To reduce the spread of germs, we highly recommend labelling but they are also useful for everyday life.

To support our fundraiser, visit <https://mabelslabels.ca/en-CA/fundraising/support>, search for and select **Cornell Village Public School**. You can pick out whatever labels or product you want, and it will ship for free directly to your house! Thank you for supporting us!

Cold and Flu Season

Winter is here and with it comes the cold and flu season. **We are noticing an increasing number of students who are absent due to illness, or exhibiting symptoms while at school.** Please read the important information below from York Region Public Health to help you know when to send your child back to school following a fever and/or nausea/vomiting/diarrhea. This helps all of our students, staff and families stay healthy!

The following information can be found on the Public Health website

(<https://www.ontario.ca/page/protection-covid-19-and-other-respiratory-illnesses>):

- If your child is sick, stay home to prevent transmission to others, except to seek testing or medical care if required.
- Your child should stay home until **all** of the following apply to them:
 - **symptoms have been improving for at least 24 hours (or 48 hours if you had nausea, vomiting and/or diarrhea, i.e. from the last time that they had any symptoms)**
 - **they do not have a fever**
 - **they do not develop any additional symptoms**

From your School Council

If you have any questions or comments for the CVPS School Council, or would like to contribute or volunteer in any way, please reach out via email at cornell.village.ps@sc.yrdsb.edu.on.ca. Your support is always appreciated.

Important Winter Weather Reminders

With winter weather here, we want to share a few important reminders.

Dress for the weather

- Students should come dressed appropriately for the weather and for outdoor play. Students can stay warm by wearing layers of loose-fitting clothing, a hat, scarf, jackets, snow pants and mittens or gloves. Students may also want to bring extra pants and socks in case they get wet.

Recess

- If students are well enough to come to school, they are expected to go outside for recess. Our students benefit from spending time outside and being active. We monitor weather conditions throughout the day. If there are extreme weather conditions, we may consider a shortened or indoor recess.

Bus or School Cancellations

- When an extreme cold or inclement weather day is declared, school transportation (including buses and taxis) is cancelled in the morning and afternoon. Schools will remain open. Please notify the school if your child will not be attending school on those days. Students will not be penalized for missing school on these days.
- There may be rare instances when emergency weather events occur and we need to close all schools and Board locations. Please take the time to make plans in the event of an emergency school closure. Information about transportation cancellations and Board closures will be shared through local media, Board and school websites and on X @YRDSB.
- Our process for extreme cold, inclement weather and emergency weather days is outlined in the [Board's Severe Weather policy](#).
