

This week Cobra Communicator

'We are a village, growing together'

March 1, 2024.

Hello Cornell Village Families,

This week, our junior students participated in workshops from an organization called Unlearn. Their vision is to inspire people of all ages to think critically about their unconscious biases and how the media, their experiences, and their relationships can reinforce them.

On Wednesday we had Pink Shirt Day. Pink Shirt Day is a globally recognized day in support of anti-bullying, upstanding behaviour and simple acts of kindness. We are encouraged to practice kindness and wear pink to show that we do not tolerate any form of bullying. C.V.P.S. has a school-wide goal of spreading kindness every day and showing up as our best selves.

On Friday, we had Sean Mauricette present about Black History Month to our grades 4-8. As a school, we have been learning about Black History and celebrating Black Excellence.

We hope to see you at our CVPS Movie Night on March 6th!

As always, please reach out if we can help with anything at all!

Sincerely,

Heather Purcell

Are You Moving?

If you are planning on moving or have moved, please be sure to contact the office so we have your updated information. If you are no longer in our area, you will need to register in the school closest to your home. If you have moved out of the area and hope to stay here, a transfer application must be completed.

Ramadan

During Lunch, as an option for Muslim students, a quiet, comfortable space away from food sources for students who are fasting will be provided. At CVPS, our students are invited to use the art room, room 224. We have a designated prayer room as well.

If there are religious accommodations that your child needs, please fill in the Request for Faith Accommodations form.

Worth Repeating:

Cornell Village P.S. is a walking community. Most students live within walking distance to the school. We strongly encourage all students/families to walk to school when possible. If you must drive, please exercise caution in the school zone. If you are using the Kiss and Ride area, please drive slowly! Be sure to watch for pedestrians and drop off your children on the curb side only. Please only park in designated areas and avoid blocking the flow of traffic.

Donations to Cornell Village P.S.

This year many of our students have benefited from the generous donations of others in our community. We have had families donate to our lunch programmes. We have another session starting in the new year. If you would like to make a donation to help pay for some student lunches, please email heather.purcell@yrdsb.ca or joanne.trim@yrdsb.ca. Your support is appreciated! Thank you to everyone who has so generously donated to our school. If you are able, we are currently asking for donations to support many of our school initiatives including:

- **Technology:** The school continues to work towards a goal of providing technology devices for each child, starting in Grade 1. Currently there are enough devices in the school for most students to have their own device but we are currently short due to our growing population. Many devices had to be retired earlier this year, as they were obsolete and no longer functional.
- **Arts Enhancement:** Last year, we were able to purchase 90 ukuleles. We would like to continue to enhance our arts and music programs as we look for new ways for our students to enjoy the Arts.
- **Miscellaneous items:** Provide support for school clubs, academic needs, speakers, outdoor equipment and special events.

Donations can be made by clicking on the Donate button on School Cash Online or by sending a cheque made out to Cornell Village Public School. Charitable donation receipts can be emailed to you directly for any amount \$20 or greater. Your donation will go towards all three areas of need.

Prayer Spaces

We have a designated space in the school available for students and staff who wish to pray during the day. Please let your child's teacher know if they need help finding and accessing the prayer room. The room is located beside room 201.

Kiss and Ride Safety

The entry bell rings at 8:45 a.m. Students must make every effort to be in school by 9:00 a.m. to ensure “on time” arrival in class. During the early entry time, students may enter the school hallways to unpack their bags and prepare for class. In the interest of safety, it is suggested that students who walk to school should arrive after 8:45 a.m. **when the school is supervised.** Parents who pick up their child after school need to arrive promptly.

Supervising staff are on duty in the hallways 15 minutes before the start of first period classes at 9:00 a.m.

NOTE: Supervision is not available after school. Staff are on duty at the end of the day to assist with bus loading and the safe exit of the building.

Screening Tool

If anyone in your family is feeling ill or showing symptoms such as a fever, cough, runny nose etc, please ensure that you make use of the [screening tool](#) for the 2023-2024 school year and follow the guidance given. This tool has been updated to reflect new protocols and guidelines.

Any students who are experiencing symptoms consistent with COVID-19 as identified in the screening tool (not related to a COVID-19 vaccine) or answer yes to any of the screening questions, must not enter any school and follow the guidance in the screening tool.

Students, staff members and school visitors are not required to wear masks in school. Individuals who feel more comfortable or who are advised to wear a mask can continue to wear a mask and will be supported in doing so. Hand hygiene and cleaning and disinfection protocols will continue.

EDSBY SIGN UP

This platform will be required to report absences, book appointments and may be used as a communication tool with your child’s teachers. For Edsby to be effective, it contains personal information about you and your family that is collected by the Board at registration. This information is used to provide services and support to you and your family. Edsby is a secure system that keeps your details and information safe and secure.

You will be receiving an invitation to EDSBY if you are new to the school, or you have not yet signed up. Please visit [this link](#) for online resources to help you register and use EDSBY.

Reporting Student Absences and Lates

We are pleased to let you know that we have a telephone attendance reporting system. This is in addition to online absence reporting through Edsby.

Regular and punctual attendance affects school success and is expected of all students. You are responsible for notifying the school before the bell time if your child will be absent or late. We have a safe arrivals program so that we can account for the whereabouts of absent students if the absence has not been reported prior to bell time.

To enhance our safe arrivals system, this new telephone system will reduce the time it takes to verify student attendance. It will also confirm student absences that have not been verified by automatically calling you.

If your child is going to be absent or late, please let us know before bell time by: 8:50 a.m.

1. **Logging in to Edsby and using the “Report an Absence” feature.** For more information on reporting your child’s attendance through Edsby, please see the [online video tutorial to learn more \(bit.ly/edsbyabsence\)](https://bit.ly/edsbyabsence).

*** If you are going on an extended vacation, please enter this on Edsby**

2. **Calling the school's main phone line at 905 471-1694 and select the option “To report a student absence or late.”**

Long-term absences or absences beyond the following day can be reported through the new telephone absence reporting system, Edsby or by contacting the school. If your child will miss more than 5 consecutive days of school, you must complete the Request for Vacation Form available through the school.

Thank you for your cooperation as we continue to ensure the safety of our students. Please feel free to contact us with any further questions.

Extreme Cold Weather and Inclement Weather Days

An extreme cold weather day is declared when roads are clear but extreme cold temperatures make it difficult for buses to operate reliably, posing a safety risk to students.

An **inclement weather day** is declared when road or weather conditions make it impossible to operate a school bus safely.

When extreme cold or inclement weather days are called, school transportation, including buses and taxis, are cancelled in the morning and afternoon. Schools will remain open.

Please note: there may be rare occasions when emergency weather conditions occur and we may need to close all schools and Board locations. Please ensure that you take the time to make plans in the event of an emergency school closure.

The decision to declare an extreme cold or inclement weather day and to cancel transportation is made by 6:00 a.m. For more information, including how to check if buses are cancelled, please visit the [School Transportation webpage](#).

Important things to note on designated extreme cold and inclement weather days:

- Students will not be penalized for missing school. If you have concerns about how an extreme cold or inclement weather day will affect your coursework, please speak to your school principal or teacher.
- Any lunch service arrangements made by the school, special lunches or special events/field trips will be cancelled. If you have made lunch arrangements directly with a third party provider please check with them directly, otherwise parents should send a lunch with their child.
- If your child does not take the bus, you need to inform the school office if their child will not be attending on extreme cold and inclement weather days, otherwise the school's safe arrival procedure will apply.
- **If transportation is cancelled in the morning, it will also be cancelled in the afternoon.** If students do go to school, families will need to arrange to pick up their children.
- Parents should use their best judgment to decide whether to send their children to school, understanding that if they choose to send their child, that the child should remain at school for the day and must be picked up at the end of the day.

For more information, please review the [Severe Weather Days Policy](#).

Emergency Weather Days

There may be rare occasions when emergency weather conditions occur and we may need to close all schools and Board locations. Closures will be considered when facilities may not be safe for students and staff members to attend school for the full day. This may include events that significantly limit school operations such as a significant snowfall or ice storm that restricts access to the school site, causes widespread or prolonged power failures or downs power lines.

In keeping with our current practice, we will continue to keep our schools open as much as possible. **However, it is important that families have alternate child care arrangements planned for the rare occasions when schools may be closed. Before and after care programs will also not operate if schools are closed. Please ensure that you take the time to make plans in the event of an emergency school closure.**

Decisions about [student transportation](#) and school closures will be made as early as possible and no later than 6:00 a.m.
