'We are a village, growing together

March 8, 2024.

Hello Cornell Village Families,

This week was an incredible one at CVPS! The sun was shining and we all enjoyed the beautiful weather. Our grade 1 and 2 classes went to Bruce's Mill for a field trip. They learned about Maple Syrup and enjoyed a day outdoors.

Randell Adjei worked with our Grade 7 and 8 students for the final workshop. The learning and reflection that happened is quite impressive!

On Wednesday Night, we had our 2nd Movie Night of the year. The students and families that attended had a very fun night! Much thanks to our amazing School Council for planning and delivering an amazing and engaging event!

We hope everyone has an enjoyable, safe and restful March Break!

As always, please reach out if we can help with anything at all!

Sincerely,

Heather Purcell

Are You Moving?

If you are planning on moving or have moved, please be sure to contact the office so we have your updated information. If you are no longer in our area, you will need to register in the school closest to your home. If you have moved out of the area and hope to stay here, a transfer application must be completed.

Ramadan

During Lunch, as an option for Muslim students, a quiet, comfortable space away from food sources for students who are fasting will be provided. At CVPS, our students are invited to use the art room, room 224. We have a designated prayer room as well.

If there are religious accommodations that your child needs, please fill in the Request for Faith Accommodations form.

Class Placement for the 2023-2024 School Year

As we organize for next year, our staff will make every effort to place students in the best learning environment for each child to be successful. We take into account Ministry and Board guidelines, individual needs, academic achievement, emotional and social development, behaviours, Multi Language Learners and Special Education needs, and work habits. We appreciate that parents/guardians have valuable information to share with us in this regard. If you have information or suggestions, which will assist us in making appropriate placement, **please write a brief note to Heather Purcell by Friday, May 3, 2024**: heather.purcell@yrdsb.ca. Please put **CLASS PLACEMENT INPUT** in the subject line of the email. Rather than suggesting a teacher, please indicate the learning style or classroom structure which you feel would be the most appropriate for your child's success. When teachers along with school administration get together to create new class lists, we will use this information to help make our final decisions.

Big Box Fundraiser Final Update

We would like to thank everyone who was able to support our Big Box Fundraiser in the month of January. **Collectively we raised \$6928.00** for the school which will be used to support technology needs, the arts programme and miscellaneous items (e.g., support for school clubs, academic needs, guest speakers/presentations, outdoor equipment, and special events).

We would like to congratulate the winners of the four \$25 Indigo Gift Cards:

Hannah G. - Gr. 6

Mateo F. - Grade 2

Marlowe K. - Kindergarten

Kayla M. - Grade 7

Congratulations to Imaan A. in Grade 7 for winning the tablet.

Congratulations to Mr. Saunders' class for winning the pizza party for the top selling class!

Sewing Club is Coming Back!

Come join us for SEW much fun!

Sewing sign-up will begin the week after March Break outside of Room 116.

We will have a primary and junior/intermediate club again. Sessions will be after school in the library. There will be a small fee for materials.

Donations Accepted

Materials:

- Fleece
- 100% cotton, cotton-flannel
- Good quality thread (Guterman)
- Iron**
- Portable ironing board**
- Fabric scissors

- Ribbon
- Zippers (14") or longer

Please note we have 5 sewing machines at the school so we may have to divide the groups into different sessions depending on numbers. Returning members will have an opportunity to try new projects out. New members will learn the basics of operating the sewing machine and create some exciting projects TBD.

Please feel free to contact me with any questions:

Indoor Shoes

We ask that every student have a pair of shoes they wear outdoors and one pair they use indoors. This helps to keep the floors safe for walking inside the school.

Walking and Wheeling to School

We strongly encourage all of our students who are not on the bus to walk or wheel to school. Walking or wheeling to school allows you to get exercise and fresh air before starting the school day. We even have bike racks for your use!

Kindergarten Registration for September is Now Open!

Children born in 2020 are eligible for kindergarten in September. Please visit the [YRDSB Kindergarten page](#) for information about how to register.

Welcome to Kindergarten Night is on May 1st at 6:30 p.m.

Canadian Tire Grant- See link below

(for Students in need of financial support for sports)

To be eligible for funding for one or more children, families must first meet specific financial criteria as per Revenue Canada's Low-Income Cut-Offs (LICO) chart. Jumpstart uses the furthest column to the right of the chart for eligibility.

Other Funding Requirements

- Children must fall between the ages of 4 - 18 years old.
- Funding is allocated to sustained programs that involve a sport or physical activity.
- Programs should be a minimum of five weeks in duration and include at least one session per week. In the case of sports camps, the program must last at least five consecutive days for consideration.

CVPS is Eco-friendly!

CVPS is working towards achieving an Ecoschool certification this year! Here is an update on our current initiatives:

1. **Battery collection pails** have been placed in the "front" area by the office main entrance and the library. Students can begin bringing in batteries. It is important to tape the 9V battery terminals to avoid fires.
2. **Snack pouch collection** bin is also in front of the library where ALL brands are being collected.
3. **Writing Instrument Recycling Program**

What writing instruments are accepted through this recycling program?

All brands of pens and pen caps, mechanical pencils, markers and marker caps, highlighters and highlighter caps, permanent markers and permanent marker caps

Worth Repeating:

Cornell Village P.S. is a walking community. Most students live within walking distance to the school. We strongly encourage all students/families to walk to school when possible. If you must drive, please exercise caution in the school zone. If you are using the Kiss and Ride area, please drive slowly! Be sure to watch for pedestrians and drop off your children on the curb side only. Please only park in designated areas and avoid blocking the flow of traffic.

Donations to Cornell Village P.S.

This year many of our students have benefited from the generous donations of others in our community. We have had families donate to our lunch programmes. We have another session starting in the new year. If you would like to make a donation to help pay for some student lunches, please email heather.purcell@yrdsb.ca or joanne.trim@yrdsb.ca. Your support is appreciated! Thank you to everyone who has so generously donated to our school. If you are able, we are currently asking for donations to support many of our school initiatives including:

- **Technology:** The school continues to work towards a goal of providing technology devices for each child, starting in Grade 1. Currently there are enough devices in the school for most students to have their own device but we are currently short due to our growing population. Many devices had to be retired earlier this year, as they were obsolete and no longer functional.
- **Arts Enhancement:** Last year, we were able to purchase 90 ukuleles. We would like to continue to enhance our arts and music programs as we look for new ways for our students to enjoy the Arts.
- **Miscellaneous items:** Provide support for school clubs, academic needs, speakers, outdoor equipment and special events.

Donations can be made by clicking on the Donate button on School Cash Online or by sending a cheque made out to Cornell Village Public School. Charitable donation receipts can be emailed to you directly for any amount \$20 or greater. Your donation will go towards all three areas of need.

Prayer Spaces

We have a designated space in the school available for students and staff who wish to pray during the day. Please let your child's teacher know if they need help finding and accessing the prayer room. The room is located beside room 201.

Kiss and Ride Safety

The entry bell rings at 8:45 a.m. Students must make every effort to be in school by 9:00 a.m. to ensure “on time” arrival in class. During the early entry time, students may enter the school hallways to unpack their bags and prepare for class. In the interest of safety, it is suggested that students who walk to school should arrive after 8:45 a.m. **when the school is supervised.** Parents who pick up their child after school need to arrive promptly.

Supervising staff are on duty in the hallways 15 minutes before the start of first period classes at 9:00 a.m.

NOTE: Supervision is not available after school. Staff are on duty at the end of the day to assist with bus loading and the safe exit of the building.

Screening Tool

If anyone in your family is feeling ill or showing symptoms such as a fever, cough, runny nose etc, please ensure that you make use of the [screening tool](#) for the 2023-2024 school year and follow the guidance given. This tool has been updated to reflect new protocols and guidelines.

Any students who are experiencing symptoms consistent with COVID-19 as identified in the screening tool (not related to a COVID-19 vaccine) or answer yes to any of the screening questions, must not enter any school and follow the guidance in the screening tool.

Students, staff members and school visitors are not required to wear masks in school. Individuals who feel more comfortable or who are advised to wear a mask can continue to wear a mask and will be supported in doing so. Hand hygiene and cleaning and disinfection protocols will continue.

EDSBY SIGN UP

This platform will be required to report absences, book appointments and may be used as a communication tool with your child’s teachers. For Edsby to be effective, it contains personal information about you and your family that is collected by the Board at registration. This information is used to provide services and support to you and your family. Edsby is a secure system that keeps your details and information safe and secure.

You will be receiving an invitation to EDSBY if you are new to the school, or you have not yet signed up. Please visit [this link](#) for online resources to help you register and use EDSBY.

Reporting Student Absences and Lates

We are pleased to let you know that we have a telephone attendance reporting system. This is in addition to online absence reporting through Edsby.

Regular and punctual attendance affects school success and is expected of all students. You are responsible for notifying the school before the bell time if your child will be absent or late. We have a safe arrivals program so that we can account for the whereabouts of absent students if the absence has not been reported prior to bell time.

To enhance our safe arrivals system, this new telephone system will reduce the time it takes to verify student attendance. It will also confirm student absences that have not been verified by automatically calling you.

If your child is going to be absent or late, please let us know before bell time by: 8:50 a.m.

1. **Logging in to Edsby and using the “Report an Absence” feature.** For more information on reporting your child’s attendance through Edsby, please see the [online video tutorial to learn more \(bit.ly/edsbyabsence\)](https://bit.ly/edsbyabsence).

*** If you are going on an extended vacation, please enter this on Edsby**

2. **Calling the school's main phone line at 905 471-1694 and select the option “To report a student absence or late.”**

Long-term absences or absences beyond the following day can be reported through the new telephone absence reporting system, Edsby or by contacting the school. If your child will miss more than 5 consecutive days of school, you must complete the Request for Vacation Form available through the school.

Thank you for your cooperation as we continue to ensure the safety of our students. Please feel free to contact us with any further questions.

Extreme Cold Weather and Inclement Weather Days

An extreme cold weather day is declared when roads are clear but extreme cold temperatures make it difficult for buses to operate reliably, posing a safety risk to students.

An **inclement weather day** is declared when road or weather conditions make it impossible to operate a school bus safely.

When extreme cold or inclement weather days are called, school transportation, including buses and taxis, are cancelled in the morning and afternoon. Schools will remain open.

Please note: there may be rare occasions when emergency weather conditions occur and we may need to close all schools and Board locations. Please ensure that you take the time to make plans in the event of an emergency school closure.

The decision to declare an extreme cold or inclement weather day and to cancel transportation is made by 6:00 a.m. For more information, including how to check if buses are cancelled, please visit the [School Transportation webpage](#).

Important things to note on designated extreme cold and inclement weather days:

- Students will not be penalized for missing school. If you have concerns about how an extreme cold or inclement weather day will affect your coursework, please speak to your school principal or teacher.
- Any lunch service arrangements made by the school, special lunches or special events/field trips will be cancelled. If you have made lunch arrangements directly with a third party provider please check with them directly, otherwise, parents should send a lunch with their child.
- If your child does not take the bus, you need to inform the school office if their child will not be attending on extreme cold and inclement weather days, otherwise the school's safe arrival procedure will apply.
- **If transportation is cancelled in the morning, it will also be cancelled in the afternoon.** If students do go to school, families will need to arrange to pick up their children.
- Parents should use their best judgment to decide whether to send their children to school, understanding that if they choose to send their child, that the child should remain at school for the day and must be picked up at the end of the day.

For more information, please review the [Severe Weather Days Policy](#).

Emergency Weather Days

There may be rare occasions when emergency weather conditions occur and we may need to close all schools and Board locations. Closures will be considered when facilities may not be safe for students and staff members to attend school for the full day. This may include events that significantly limit school operations such as a significant snowfall or ice storm that restricts access to the school site, causes widespread or prolonged power failures or downs power lines.

In keeping with our current practice, we will continue to keep our schools open as much as possible. **However, it is important that families have alternate child care arrangements planned for the rare occasions when schools may be closed. Before and after care programs will also not operate if schools are closed. Please ensure that you take the time to make plans in the event of an emergency school closure.**

Decisions about [student transportation](#) and school closures will be made as early as possible and no later than 6:00 a.m.
