Hello Crosby Heights Community,

We have had an extremely successful start to the school year here at Crosby Heights! We are excited to see our students following classroom routines and engaged in their learning. Over the past few weeks students have participated in various extra curricular activities, including the Terry Fox Walk, Cross Country, and Volleyball team tryouts.

The last week of September marked Safety Week in the YRDSB. Students were engaged in learning about safety at school and participated in both a Lockdown drill and Fire Evacuation. Students also participated in Bus Safety sessions to ensure safe travel when on the bus.

We look forward to our first School Council meeting on October 21 at 7pm. Please join us, everyone is welcome!

Mrs. Trish Dynes
Vice-Principal

Go Blue Jays!

Terry Fox Walk 2015

This year marks 35 years since a young Canadian named Terry Fox attempted to run across Canada to raise funds for cancer research. Over the past 35 years Canadians have been inspired by Terry's courage and determination and have made the decision to participate in annual Terry Fox runs and walks in their own communities. This year, students at Crosby Heights Public School held a Terry Fox Walk on FRIDAY SEPTEMBER 25 after lunch.

Students supported Terry Fox and Cancer Research by walking and bringing a Toonie for Terry.

Important Dates:

Secondary School Information Sessions

- Alexander MacKenzie SS: Oct.29 7pm

SCHOOL COUNCIL NEWS

Our first School Council meeting will be held on Wednesday, October 21, 2015 at 7pm in the Staff Room.

We encourage all parents to attend and consider holding an executive position. Our Executive Committee consists of: Chair, (or Co-Chairs), Treasurer, and Secretary. Other non-Executive roles within Council are also available. There are many volunteer opportunities that come up throughout the school year, where parents may consider a role on a specific sub-committee as well.

A Message from School Trustee, Corrie McBain

Welcome back to another school year.

I am happy to extend a warm welcome to our returning students and families and those who are new to our Board. I am the trustee for your child's school and your representative on the York Region District School Board of Trustees.

I am looking forward to continuing my work to ensure that all YRDSB students receive a high quality education within safe, caring and inclusive learning environments.

In the coming year, trustees will continue to focus on the priorities that we set out in our Multi-Year Plan: student achievement and well-being, the delivery of effective and sustainable educational programs and the responsible stewardship of Board resources.

We know that partnerships with families are essential to achieving this goal. Good schools become better schools when they are connected to parents and families.

I hope that you will find positive and meaningful ways to engage with your child's school over the course of the year. There will be many events and activities to look forward to throughout the year and many opportunities across the Region that support parent engagement.

2015-16 promises to be an exciting year. All the best for the upcoming school year!
