Discussion focused on selection of a movie, a few movies were suggested such as The Addams Family, Captain Underpants, however they may not be 100% suitable in this type of environment. Kathy has offered to preview a couple of more options and will send out suggestions. Flyers and posters need to be developed, Kathy and Jasmine have offered to organize this. One change needed on the flyer is a statement asking parents not to bring outside food (for safety reasons eg. Peanut, nuts allergies etc.) On the day of the event, snacks, drinks and pizza (pre order plus sales on the night) will be sold by school council.</p> <p>b)Family Fun Night will take place in June and the major focus of this event is to bring the community together at the end of the year and do some fundraising as well. Parents on council would like to keep the structure as last year’s fun night which includes food trucks, some games, magician, musical chairs and face painting. Jasmine spoke about the need for active involvement from parents to share the workload as it cannot run without parental support. Jasmine will</p>

			distribute and delegate names of services and trucks used in the past to book now. Meeting was adjourned
