Thank you to all of the senior and junior boys that tried out for basketball this week. Congratulations to the boys that have made it to the final round of tryouts on Tuesday November 19th and Thursday November 21st after school.

Check [YRAA.com](http://YRAA.com) for schedules and standings.

Thank you to all of the senior and junior girls that tried out for volleyball this week! The final tryout is Monday November 18th after school.

Check [YRAA.com](http://YRAA.com) for schedules and standings.

If you are athletically inclined, consider trying out for a team in high school. You can proudly represent your school while improving your social, mental, and physical health. If you are passionate enough you set yourself up for a lifetime of physical activity and discipline. The sheer physicality of playing high school sports can ease stress and essentially contribute to your academic success.

## Fundraisers Supporting Athletics

Fundraising is important for athletic programs because it provides financial support, helps build community, and develops life skills in athletes. Fundraising helps cover the costs of equipment, uniforms, travel and competition entry fees. Without fundraising, many talented athletes would not have the opportunity to compete.

### POINSETTIA FUNDRAISER

Denison will be working in conjunction with Bradford Greenhouses to offer our community one of the most popular holiday plants for your home. Add some festive colour to your home with beautiful traditional poinsettias in a variety of sizes and colours.

The last day to place your order is:  
**Wednesday, November 19th**

Orders will be available for pick up at Denison on:  
**Wednesday, December 3rd** (more details to follow)
